Allen Tai  
City of Alameda  
Planning Services Manager

Dear Alameda City Council,

The Board of Directors of the Downtown Alameda Business Association would like to offer this letter of support asking that the council consider giving the proposed new proposed property owner, Big O Corporate, a chance to comply with the existing conditions of the CUP or modify the CUP to provide the City of Alameda with the regulatory powers to ensure compliance by the Big O Corporation.

Thank you,

The Downtown Alameda Business Association  
Board of Directors
