Subject: No Cause Evictions

Dear Mayor Trish Herrera Spencer,

My name is Isabelle McCarter and I am an Alameda resident/student at Encinal High School. I urge you to take action to protect local renters from no cause evictions. No one should be forcibly removed from their home if they have done nothing wrong. Allowing no cause evictions hurts our community and local families. For example, several tenants at the Bayview Apartment complex down the street from my school are currently struggling with 60 day or 3 day eviction notices. The families in these apartments have done nothing to deserve this kind of treatment. Additionally, there are children living in those apartments who attend Encinal High and Paden Elementary. If these unjust evictions are carried out, those kids will have to deal with the burden having to find a new home right at the beginning of the school year. Please explore all options to protect these families and all other Alameda renters from no cause evictions.

Thank you,
Isabelle McCarter
