Attachments: 1-16-18 GABA Letter to Councilmembers RE Approval of TCP.pdf
Importance: High

January 16, 2018

Honorable Mayor Spencer, Vice Mayor Vella, and Esteemed Councilmembers Ezzy Ashcraft, Matarrese and Oddie,

The Greater Alameda Business Association wishes to express its gratitude to the City Council and to the City Staff, all of whom were willing to listen to the business associations, community organizations and members of the general public who advocated for making the Alameda Shuttle a top priority of the City's Transportation Choices Plan (TCP) currently up for consideration.

Following the direction of the City Council, City Staff worked with GABA members and others to present the amended version awaiting your approval. Based on those experiences – both the pleasure of seeing our Council recognize the goals and opportunities defined by GABA's Shuttle proposal, as well as the productive and congenial exercise of working with City Staff to create the current final version – we are looking forward to continued fruitful collaboration with City Staff and transportation providers to create solutions that serve our entire community.

GABA is particularly pleased that the revised TCP reflects the wishes of the community at large in identifying the Alameda Shuttle as the No. 1 priority.

While we anticipate working with the City to refine some of the details associated with the Shuttle proposal in the TCP, we welcome the document as a proper early step toward a solution that best serves Alameda's needs and goals.

In sum, we urge you to accept the TDM before you, and we look forward to joining with you as we move beyond the document's call to study the Shuttle and toward putting a pioneering solution in service.

Sincerely,

Dania R. Alvarez

Re: City of Alameda's Transportation Choices Plan

Dear Ms. Ott:

As previously stated for the City Council meeting on November 7, 2017, AC Transit would like to express support for the City of Alameda's Transportation Choices Plan. AC Transit looks forward to working with the City to expand and improve bus service in Alameda to ensure that AC Transit will be a full partner for the long term in the City of Alameda.

AC Transit staff participated on the Advisory Committee for this planning effort, and also met with City staff individually to ensure that the recommended projects and programs work for AC Transit. AC Transit's elected officials – Elsa Ortiz and Christopher Peebles – also were briefed on the Transportation Choices Plan, and are in support of it. The purpose of the Plan is to provide more transportation options for Alamedans with the goal of reducing drive alone trips at the crossings and through Alameda over the next 15 years. The bus improvements are grouped into the following priority strategies:

1) Expand transit, bicycling and walking to/from Oakland and BART: Because Oakland and Alameda are close, the travel time to/from Oakland by transit, walking and bicycling can be short enough to encourage people to shift modes. This priority strategy focuses on faster, more reliable and frequent buses and expanded access to discounted bus passes and information on existing transportation options.

2) Expand transit and carpools to/from San Francisco: The high level of transit service to/from San Francisco is an amenity that draws many people to live, work and play in Alameda. Investing in improved access to ferry terminals and BART stations and improved speed and reliability for AC Transit Transbay service will result in ridership growth and will capture new residents and employees as riders.

3) Expand transit and achieve a low-cost or "free" rider experience within Alameda: Improving bus service and providing bus pass discounts *contributes to a* higher quality of life for people who live, work, learn and visit Alameda, and improves mobility for those who do not have a car or may not have the ability to drive *such as youth, seniors and people with disabilities.*

AC Transit appreciates the focus on improving the infrastructure and operations for bus service in Alameda, and looks forward to working in partnership with the City on implementing the Plan.

Thank you for your time.

Sincerely,

RE: Permanent Removal of Island Drive Bus Lanes from Transportation Choices Plan

Dear Ms. Weisiger:

Attached please find the Resolution of the Community of Harbor Bay Isle Owners' Association Requesting the Permanent Removal of the Island Drive Bus Lanes from the City of Alameda Transportation Choices Plan, a Resolution from the Islandia Home Owners Association, and a copy of the forms provided by the Casistas Home Owners Association with 42 of the 43 forms collected stating the same. It is our understanding the Garden Isle Home Owners Association also submitted documentation that they too are against the previously proposed bus lanes on Island Drive.

The Community of Harbor Bay Isle Owners' Association supports the City staff's removal of the offending bus lanes on Island Drive from the Transportation Choices Plan and wants to reiterate our stance in conjunction with the other associations on Bay Farm.

The Boards feel strongly that this project would lower property values within the Community, without providing the projected benefit.

Please remove the Island Drive Bus Lanes from the Transportation Choices Plan. If you have any questions please contact me at 510.865.3363 x340.

Sincerely,

A handwritten signature in black ink, appearing to read "Dawn Jaeger", with a horizontal line extending to the right.

**RESOLUTION OF THE COMMUNITY OF HARBOR BAY ISLE OWNERS ASSOCIATION
REQUESTING THE PERMANENT REMOVAL OF THE ISLAND DRIVE BUS LANES
FROM THE CITY OF ALAMEDA TRANSPORTATION CHOICES PLAN**

WHEREAS, the Community of Harbor Bay Isle Owners Association, (COMMUNITY) represents the interests of 20 homeowner associations (2,998 residences), located on Bay Farm Isle within the City of Alameda; and

WHEREAS, on November 7, 2017 the City Council of Alameda tentatively passed the Transportation Choices Plan as a "Living Document" acknowledging that all projects would receive community input and no projects were required; and

WHEREAS, the COMMUNITY met with City Transportation Planning Director Jennifer Ott and Community Residents to discuss proposed Item Number 12- Island Drive and Westline Drive Bus Lanes within said plan on November 27, 2017; and

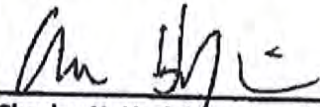

WHEREAS, the COMMUNITY finds the Island Drive Bus Lanes to be unacceptable; and

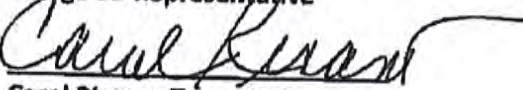

WHEREAS, the COMMUNITY Master Board voted unanimously to request permanent removal of the Island Drive Bus Lane Project found in Item 12 from the City's Transportation Choices Plan.

NOW THEREFORE BE IT RESOLVED, by the Community of Harbor Bay Isle Owners Association Board of Directors, Alameda, California, as follows:

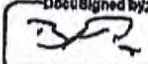

1. The COMMUNITY opposes the Island Drive Bus Lane Project vehemently, and finds it to be counter to the COMMUNITY's interests and choice; and
2. The COMMUNITY hereby strongly urges the City Council of Alameda to REMOVE Bus Lanes on Island Drive, from the City of Alameda Transportation Choices Plan permanently.

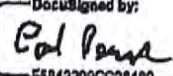

Adopted on the 27th Day of November, 2017, by unanimous vote of the Community of Harbor Bay Isle Owners' Association, LLC. Master Board of Directors.

RESOLUTION # 1718-4-1A

**REQUESTING THE REMOVAL OF THE ISLAND DRIVE BUS LANES FROM
THE CITY OF ALAMEDA'S TRANSPORTATION CHOICES PLAN**

WHEREAS, the Homeowners' Association of Islandia (comprising of 438 homes) located on Bay Farm Isle, within the City of Alameda and representing the interest of it's association members; and

WHEREAS, members of the Islandia Homeowners' Association attended the meeting between the City of Alameda and the Community of Harbor Bay Isle Owners' Association; and

WHEREAS, the members of Islandia Homeowners' Association are not in favor of the City initiating bus Lanes on Island Drive; and

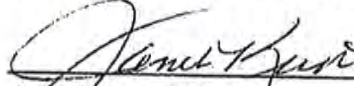

WHEREAS, the Islandia Board of Directors hereby resolve to support the attached resolution of the Community of Harbor Bay Isle; and

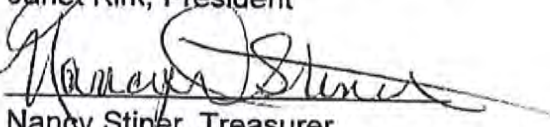

WHEREAS, the Islandia Board of directors also requests the City modify the Alameda Transportation Choices Plan to permanently eliminate Bus Lanes on Island Drive from the Plan.

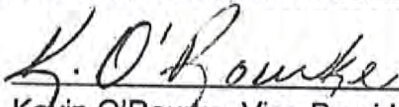

NOW THEREFORE BE IT RESOLVED, by the Islandia Homeowner's Association Board of Directors, Alameda, California, as follows:

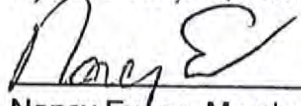

1. The Islandia Board strongly opposes the placement of bus lanes on Island Drive; and
2. The Islandia Board formally requests the permanent elimination of bus lanes on Island Drive from the City's Transportation Choices Plan; and
3. The Islandia Board supports the attached resolution provided by the Community of Harbor Bay Isle Owners' Association requesting the same.

Adopted on this 9th Day of January 2018, by vote of Islandia Board of Directors.

This is an absurd proposal that lacks merit and creates political busywork. Creating a bus only lane is going to create a transportation nightmare for morning and evening commutes. Who is the genius that is behind this lame proposal?

I am willing to offer some real solutions to the City Council if they really want to solve not create traffic problems.

It is extremely difficult to get off Bay Farm Island as it is, during commute time when the kids are being driven to school, with 2 lanes. Not all parents are allowing their kids to ride the bus. During the holidays or off school days, ~~it~~ the drive to get to the Bay Farm Bridge is very good. With only one lane for cars and a dedicated bus lane on Island Drive, it would probably take more than 45 minutes to go less than a mile when school is in session.

CAN you GUARANTEE that there will be more bus riders that warrants a dedicated bus lane?
I have to commute for my job to Redwood City, Oakland, San Francisco, San Jose and other cities. at different times, I don't want to start my commute by sitting in traffic for 30 minutes on Island Drive.

LARA WEISIGER

From: Diane Daley-Smith <ddaley_smith@lohrealty.com>
Sent: Monday, January 15, 2018 5:19 PM
To: City Clerk
Subject: North Housing at City Council

Dear Clerk at City of Alameda,

I am unable to find where or how I can express my views regarding this calendar item for tomorrow, January 16, 2018.

How can this project be pushed forward without public input? I am unable to attend the hearing, if that is what it is, but I would like to say I am not in favor of this project due to my having no information. Since we are an island, we are all impacted by development. And development with no thought to additional infrastructure is short-sighted at best.

The development practically sitting on Sherman at Buena Vista next to the old Del Monte Cannery is a disgrace. With proper public input, perhaps we can at least all agree to something that will not strangle us and keep us prisoners in the tube or on our bridges. Our ingress and egress is limited and it is unconscionable to think it could be worse.

Please urge the city council to reconsider the North Housing until public input can be heard.

Thank you for your consideration.

**RESOLUTION OF THE BAYWOOD VILLAGE HOMEOWNERS ASSOCIATION, INC.
REQUESTING THE PERMANENT REMOVAL OF THE ISLAND DRIVE BUS LANES
FROM THE CITY OF ALAMEDA TRANSPORTATION CHOICES PLAN**

WHEREAS, the Baywood Village Homeowners Association (ASSOCIATION) represents the interests of 239 residences, located on Bay Farm Isle within the City of Alameda; and

WHEREAS, on November 7, 2017 the City Council of Alameda tentatively passed the Transportation Choices Plan as a "Living Document" acknowledging that all projects would receive community input and no projects were required; and

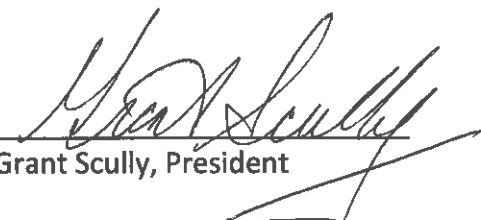

WHEREAS, the ASSOCIATION finds proposed item Number 12- Island Drive and Westline Drive Bus Lanes within said plan on November 27, 2017; specifically, the Island Drive Bus Lanes to be unacceptable; and

WHEREAS, the ASSOCIATION Board of Directors voted unanimously to request permanent removal of the Island Drive Bus Lane Project found in Item 12 from the City's Transportation Choices Plan.

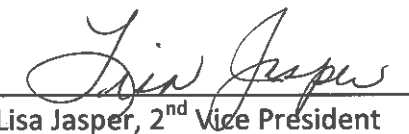

NOW THEREFORE BE IT RESOLVED, by the Woodbridge Bay Estates Homeowners Association Board of Directors, Alameda, California, as follows:

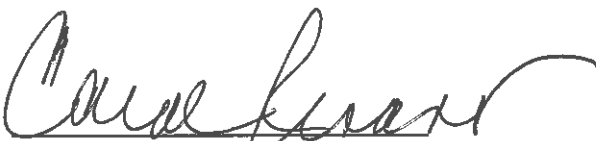

1. The ASSOCIATION **opposes** the Island Drive Bus Lane Project vehemently, and finds it to be counter to the communities interests and choice; and
2. The ASSOCIATION hereby strongly urges the City Council of Alameda to REMOVE Bus Lanes on Island Drive, from the City of Alameda Transportation Choices Plan permanently.

Adopted on the 4th Day of January 2018, by unanimous vote of the Baywood Village Homeowners Association Board of Directors.
