Subject: North Housing 2nd Vote

Dear Vice Mayor Vella and Councilmembers Ashcraft and Oddie,

Thank you for your vote on January 2nd in support of the proposal from Carmel Properties for North Housing. I hope that you will once again vote in support tonight at the second reading. Please also do not allow any changes to the proposal as, given the great housing crisis, we have great need to see these former Coast Guard units come back into use as soon as possible. The Alameda Housing Authority and Habitat for Humanity also needs the infrastructure support that Carmel will provide so that they can build the affordable housing units that are planned.

Thank you for your support of housing and affordable housing,
Lynette Jung Lee,
Member of Renewed Hope Housing Advocates
