

ARTICLE VIII. - SUNSHINE ORDINANCE

2.90 - INTRODUCTION.

This sunshine ordinance has been developed to codify the City of Alameda's public policy concerning participation in the deliberations of the City's legislative bodies and to clarify and supplement the Ralph M. Brown Act and the California Public Records Act and expanding its application and effectiveness to local governments. It is an affirmation of good government; and a continued commitment to open and democratic procedures. It is an effort to expand our citizens' knowledge, participation and trust. As procedures of government change and evolve, so also must the laws designed to guarantee the process remains visible. In addition, this ordinance will establish a mechanism for enforcement.

(Ord. No. 3036 N.S., § 1, 11-1-2011, eff. 2-1-2012)

2.90.1 - Goal.

An informed public is essential to democracy. It is the goal of the ordinance codified in this article to ensure that the citizens of Alameda have timely access to information, opportunities to address the various legislative bodies prior to decisions being made, and easy and timely access to all public records.

(Ord. No. 3036 N.S., § 1, 11-1-2011, eff. 2-1-2012)

2.90.2 - Findings.

The Alameda City Council finds as follows:

- a. It is government's duty to serve the public, reaching its decisions in full view of the public, except as provided elsewhere in this article.
- b. Elected City officials, commissions, boards, advisory bodies, task forces and other agencies of the City exist to conduct the people's business. This article is intended to assure that the deliberations of these bodies and the City's operations are in full view of the public.
- c. It is the City's duty to serve the public and to accommodate those who wish to obtain information about or participate in the process of making decisions.
- d.

The right of the people to know what their government and those acting on behalf of their government are doing is fundamental to a democracy, and with very few exceptions, which this article will clarify, that right supersedes any other policy interest government officials may use to prevent public access to information. In those rare and unusual circumstances where the business of government may be conducted behind closed doors, those circumstances must be carefully and narrowly defined to prevent any abuse.

- e. This article is intended in part to clarify and supplement the Ralph M. Brown Act and the California Public Records Act to assure that the people of the City of Alameda can be fully informed and thereby retain control over the instruments of local government in their city.
- f. As adopted, it is the intention of this article that members of the City Council who sit on separate boards and commissions, such as, but not limited to the ARRA and CIC, will adopt these rules and requirements for each of those bodies.

(Ord. No. 3036 N.S., § 1, 11-1-2011; Ord. No. 3151 N.S., § 1, 4-19-2016)

The event shall be noticed, recorded, free to the public and open to all. The report shall include a report on the previous year's complaints, if any, concerning the ordinance, how they were resolved, and a summary of any actions taken or pending related to provisions of this article.

3. The item was on an agenda posted pursuant to subdivision a. for a prior meeting of the body occurring not more than five (5) calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

If its own approval renders the agreement final, the policy body shall report that approval, the substance of the agreement and the vote thereon in open session immediately. If final approval rests with another party to the negotiations, the body shall disclose the fact of that approval, the substance of the agreement and the body's vote or votes thereon upon inquiry by any person, as soon as the other party or its agent has informed the body of its approval. If notwithstanding the final approval there are conditions precedent to the final consummation of the transaction, or there are multiple contiguous or closely located properties that are being considered for

acquisition, the document referred to in subdivision b. of this section need not be disclosed until the condition has been satisfied or the agreement has been reached with respect to all the properties, or both.

2. *Litigation.* Direction or approval given to the body's legal counsel to prosecute, defend or seek or refrain from seeking appellate review or relief, or to otherwise enter as a party, intervener or amicus curiae in any form of litigation as the result of a consultation pursuant to Government Code Section 54956.9 shall be reported in open session as soon as given, or at the first meeting after an adverse party has been served in the matter if immediate disclosure of the City's intentions would be contrary to the public interest. The report shall identify the adverse party or parties, any co-parties with the City, any existing claim or order to be defended against or any factual circumstances or contractual dispute giving rise to the City's complaint, petition or other litigation initiative.
 3. *Employee Actions.* Action taken to appoint, employ, dismiss, transfer or accept the resignation of a public employee in closed session pursuant to Government Code Section 54957 shall be reported immediately in a manner that names the employee, the action taken and position affected and, in the case of dismissal for a violation of law or of the policy of the City, the reason for dismissal, unless the City Attorney determines that disclosure would be detrimental to the City. "Dismissal" within the meaning of this article includes any termination of employment at the will of the employer rather than of the employee, however characterized.
 4. *Collective Bargaining.* Any collectively bargained agreement shall be made publicly available at least fifteen (15) calendar days before the meeting of the policy body to which the agreement is to be reported. At a City Council meeting no less than thirty (30) days before the initiation of bargaining of a new or extended collectively bargained agreement, the City Manager shall report the initiation of bargaining and the collectively bargained agreement shall be publicly made available.
- c. Reports required to be made immediately may be made orally or in writing, but shall be supported by copies of any contracts, settlement agreements, or other documents related to the transaction that were finally approved or adopted in the closed session and that embody the information required to be disclosed

immediately shall be provided to any person who has made a written request regarding that item following the posting of the agenda, or who has made a standing request for all such documentation as part of a request for notice of meetings pursuant to Government Code Sections 54954.1 or 54956.

- e. The City Attorney's office shall prepare and present on the City Council Consent Calendar, a list of documents which have been determined to be public after previously being determined to be unavailable to the public. This list shall be presented at least semi-annually and available on the City's website.

- a. No policy body shall conduct any meeting, conference or other function in any facility that excludes persons on the basis of actual or presumed class identity or characteristics, or which is inaccessible to persons with physical disabilities, or where members of the public may not be present without making a payment or purchase. Whenever the City Council, a board or commission enumerated in the City Charter or Municipal Code, or any committee thereof anticipates that the number of persons attending the meeting will exceed the legal capacity of the meeting room, any public address system used to amplify sound in the meeting room shall be extended by supplementary speakers to permit the overflow audience to listen to the proceedings in an adjacent room or passageway, unless such supplementary speakers would disrupt the operation of a City office.
- b. Each board and commission enumerated in the Charter shall provide sign language interpreters or note-takers at each regular meeting, provided that a request for such services is communicated to the secretary or clerk of the board or commission at least forty-eight (48) hours before the meeting, except for Monday meetings, for which the deadline shall be 4:00 p.m. of the last business day of the preceding week.
- c.

Each board and commission enumerated in the Charter shall ensure that accessible seating for persons with disabilities, including those using wheelchairs, is made available for each regular and special meeting.

- d. Each board and commission enumerated in the City Charter or Municipal Code shall include on the agenda for each regular and special meeting the following statement: "In order to assist the City's efforts to accommodate persons with severe allergies, environmental illnesses, multiple chemical sensitivity or related disabilities, attendees at public meetings are reminded that other attendees may be sensitive to various chemical based products. Please help the City accommodate these individuals."
- e. The City Council shall seek to provide translators at each of its regular meetings and all meetings of its committees for each language requested, where the translation is necessary to enable Alameda residents with limited English proficiency to participate in the proceedings provided that a request for such translation services is communicated to the City Clerk at least 48 hours before the meeting. For meetings on a Monday or a Tuesday, the request must be made by noon of the last business day of the preceding week. The unavailability of a translator shall not affect the ability of the City Council or its committees to deliberate or vote upon any matter presented to them. In any calendar year in which the costs to the City for providing translator services under this subsection exceeds \$20,000, the City Council shall, as soon as possible thereafter, review the provisions of this subsection.
- f. Meetings of public bodies shall adjourn no later than 11:00 p.m., unless the meeting is extended by a majority vote of the body.
 1. If the body extends three (3) meetings in a row past 11:00 p.m., the body shall also be required, as a part of the motion to extend the meeting, to increase the number of regular meetings of the council, board or commission in order to accomplish the business before the body before 11:00 p.m.
 2. No new items will begin after 10:30 p.m. unless a supermajority of the body votes to allow the items to be heard. Nominations, announcements, and Council communications may continue to be heard after 10:30 p.m. whether or not a supermajority of the body has voted to extend the meeting.

- b. Each board and commission enumerated in the Charter shall audio record each regular and special meeting. Each such audio recording, and any audio or video recording of a meeting of any other policy body made at the direction of the policy body shall be a public record subject to inspection pursuant to the California Public Records Act (Government Code Section 6250 et seq.), and shall not be erased or destroyed. Inspection of any such recording shall be provided without charge on an appropriate play back device made available by the City.
- c. Every City policy body, agency or department shall audio or video record every noticed regular meeting, special meeting, or hearing open to the public held in a City Hall hearing room, except to the extent that such facilities may not be available for technical or other reasons. Such meetings held outside City Hall may not be available via livestreaming. All recordings will be archived indefinitely in digital form at a centralized location on the City's website within seventy-two (72) hours of such meeting or hearing. Each recording shall be a public record subject to inspection pursuant to the California Public Records Act (Government Code Section 6250 et seq.), and shall not be erased or destroyed. Inspection of any such recording shall also be provided without charge on an appropriate play back device made available by the City. This subsection c. shall not be construed to limit or in any way modify the duties created by any other provision of this article, including but not limited to the requirements for recording closed sessions as stated in Section 2-91.8 and for recording meetings of boards and commissions enumerated in the Charter as stated in subsection b. above.

Every agenda for regular meetings shall provide, before undertaking regular business and again at the end of the meeting, an opportunity for members of the public to directly address a policy body on items of interest to the public that are within the policy body's subject matter jurisdiction, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by Section 2-91.5e of this article. The Council agenda shall provide up to fifteen (15) minutes for this use. However, in the situation of the City Council, the agenda does not have to provide an opportunity for members of the public to address the Council on any item that has been considered by a subcommittee comprised only of Councilmembers at a public meeting, unless the item has been substantially changed since the subcommittee heard the item. The City Council shall have the authority to determine whether the item has been substantially changed.

Spokespersons for the proponent(s) of an agenda item and for the opponent(s) shall each have fifteen (15) minutes to present their case. The spokesperson for the proponent(s) shall have five (5) minutes to present any rebuttal. Other speakers may be requested to keep their remarks concise.
- c. A policy body shall not abridge or prohibit public criticism of the policy, procedures, programs or services of the City, or of any other aspect of its proposals or activities, or of the acts or omissions of the body, on the basis that the performance of one or more public employees is implicated, or on any basis other than reasonable time constraints adopted in regulations pursuant to subdivision b. of this section.
- d. To facilitate public input, any agenda changes or continuances shall be announced by the presiding officer of a policy body at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known to such presiding officer.
- e. All staff reports, presentations, comments from parties with a direct connection to the agenda item, and council questions will be presented before the public has an opportunity to speak so as to provide the fullest opportunity for public input on all issues before the board, commission or council.

Upon request, minutes required to be produced by this section shall be made available in Braille or increased type size.

2-91.17 - Public Comment by Members of Policy Bodies.

Every member of a policy body retains the full constitutional rights of a citizen to comment publicly on the wisdom or propriety of governmental actions, including those of the policy body of which he or she is a member. Policy bodies shall not sanction, reprove or deprive members of their rights as elected or appointed officials for expressing their judgments or opinions, including those which deal with perceived inconsistency of non-public discussions. Nothing in this section shall be construed to provide rights to appointed advisory body members beyond those recognized by law or to create any new private cause of action.

In unusual circumstances, the time limit prescribed by this subsection may be extended by written notice by the Custodian of Records to the person making the request, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched provided that no notice shall specify a date that would result in an extension for more than fourteen (14) days. The term "unusual circumstances" means the following, but only to the extent reasonably necessary to the proper processing of the particular request: (1) the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request; (2) the need to search for, collect and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request; (3) the need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two (2) or more components of the agency having substantial subject matter interest therein; or (4) the need to compile data, to write programming language or a computer program, or to construct a computer report to extract data. - g. Record requests made by email must be acknowledged with an email response to the sender.

- b. A withholding on the basis that disclosure is prohibited by law shall cite the applicable legal authority.
- c. A withholding on the basis that disclosure would incur civil or criminal liability shall cite any statutory or case law supporting that position.

(Ord. No. 3036 N.S., § 1, 11-1-2011)

- d. The City may, rather than making copies itself, contract at market rate to have a commercial copier produce the duplicates and charge the cost directly to the requester.
 - e. In addition to the copies routinely required for City official or staff use, the City shall require the applicant for a project that is, or will be, of widespread public interest to pay for up to twenty (20) copies of documents such as environmental impact reports. These copies will be provided on a first-come, first-serve basis at no cost to members of the public. The City Manager or designee shall determine if and how many extra copies will be required on a case by case basis.

The master fee schedule shall note the maximum amount that may be waived.
 - h. Nothing in this section shall be interpreted as intending to preempt any fee set by or in compliance with state law.

It is the policy of the City to utilize computer technology in order to reduce the cost of public records management, including the costs of collecting, maintaining, and disclosing records subject to disclosure to members of the public under this chapter. To the extent that it is technologically and economically feasible, departments that use computer systems to collect and store public records shall select these systems to ensure convenient, efficient, and economical public access to records.
- b. Departments purchasing new computer systems shall attempt to reach the following goals as a means to achieve lower costs to the public in connection with the public disclosure of records:

2-92.17 - Policy Regarding Electronic Formats.

- a. Electronic formats used to represent public documents should be chosen so they are easily accessible to the public.
 1. Electronic documents will be published in a machine-processable format so that the public can sort, search, and transform the information to meet their needs. For example, text documents must be delivered such that the text itself is machine-processable and can be searched or processed by text-to-speech software. Documents originally in handwritten form are exempt from this requirement.

2. Except in the case where the City can cite a significant overriding consideration, electronic formats shall be chosen such that they can be viewed on a variety of mainstream computing platforms using freely available software. Electronic formats susceptible to obsolescence and patent licensing restrictions and formats dependent on a single operating system or proprietary software program shall not be used.

Care must be taken with any electronic documents that have redactions. Some document formats retain a history of changes made, so while some content may appear to be deleted from a document it may be recoverable. Staff who perform redactions are responsible for understanding the implications of the document formats they are using and ensuring that redacted information is completely removed from the document.
