City of Alameda Code No. 1680 Approved by C.S.B. August 15, 2018

ACCOUNTANT II

DEFINITION

Under direction performs professional accounting and financial analysis duties in the review, development and maintenance of financial records and systems; performs complex professional research and studies; supports coordination and planning of the City's audit activities; conducts special projects; and performs other related work as required.

DISTINGUISHING FEATURES

This is the journey level class in the professional accounting series. The work requires comprehensive knowledge of financial and/or payroll functions, municipal accounting and automated accounting systems. Work in the class is distinguished from that of lower classes in that incumbents at this level receive only occasional instruction and assistance as new, unusual or unique situations arise. Accountant II incumbents perform more difficult and specialized analytical work.

EXAMPLES OF DUTIES

- 1. Maintains, reviews and reconciles general ledger, subsidiary accounts and statements of various City funds; identifies and locates accounting data by researching accounts and related source documents; examines transactions to ensure accuracy; corrects financial records as necessary through preparation and posting of journal entries.
- 2. Analyzes, verifies and prepares various financial reports and statements, assists in monitoring various accounts and verifies availability of funds and accurate coding and classification of revenues and expenditures; researches and analyzes transactions to resolve problems..
- 3. Performs year-end review of accounts, prepares adjusting and closing entries, year-end financial statements and reports, periodic financial reports and supporting schedules; prepares and updates notes to the City's Comprehensive Annual Financial Report (CAFR).
- 4. Prepares complex reports regarding status of various accounts; prepares working papers, reconciliations, schedules, exhibits, and summaries; prepares a variety of complex reports involving statistics, legal requirements, and other specialized components.
- 5. Assists in research, education and implementation of new Government Accounting Standards Board (GASB) Statements.
- 6. Prepares the City's annual indirect cost allocation plan in compliance with federal regulations and for internal costing or charging purposes.
- 7. Assists in the installation of new financial management systems and procedures and instructs others in their use.
- 8. Updates and maintains the City's long-term debt payment schedules; ensure debt service payments are made in a timely manner; and assists with annual disclosure reporting.
- Maintains accounting records, verifies compliance and prepares required financial and compliance reports for Federal, State and County grant and allocation programs; prepares or assists with preparation of grant reimbursement claims.
- 10. Assists in development and implementation of internal controls, practices and procedures; recommends, develops and implements changes for efficiency and ongoing regulatory compliance.
- 11. Assists in budget planning, preparation and administration; provides assistance to departments in developing budgets, assembles and analyzes data for annual budget process.
- 12. Reviews and reads journals and publications and attends training, conferences and seminars to maintain knowledge of current accounting requirements and best practices.
- 13. Acts as accounting liaison with program staff, granting agencies, and external auditors.
- 14. May provide lead direction and training for subordinate accountants and clerical staff.
- 15. Performs other related duties as required.
