# INITIATIVE FOR EXPANSION OF OPEN SPACE AT CRAB COVE

**FILED**  
APR 26 2018

The People of the City of Alameda do hereby ordain as follows:

## SECTION 1. TITLE

CITY OF ALAMEDA  
CITY CLERK'S OFFICE

This Initiative shall be known and referred to as the "Second Initiative for Expansion of Open Space at Crab Cove."

## SECTION 2. FINDINGS

- A. In November of 2008, more than 70% of the City and County of Alameda voters and Contra Costa County voters, voted in favor of East Bay Regional Park District's Measure WW, a taxing measure covering projects in both Alameda and Contra Costa Counties, thus approving the East Bay Regional Park District's acquisition of the federal property on McKay Avenue for expansion of Crab Cove as it became available and authorizing funding for acquisition and improvement of this federal property.
- B. At the time of the vote on Measure WW, the federal property on McKay Avenue, Alameda, consisted of a single parcel consisting of approximately 7.57 acres of land identified as Alameda County Assessor's Parcel No. 74-1305-026.
- C. After the passage of Measure WW, the federal government caused the original 7.57 acre parcel to be split into two parcels, Alameda County Assessor's Parcel Nos. 74-1305-026-1, approximately 3.899 acres, and 74-1305-026-2, approximately 3.671 acres.
- D. Alameda County Assessor's Parcel 74-1305-026-1, was rezoned by the City of Alameda for residential development in July 2012.
- E. Subsequent to the rezoning of Alameda County Assessor's Parcel 74-1305-026-1, the People of the City of Alameda prepared and circulated a duly authorized initiative, "Initiative for Expansion of Open Space at Crab Cove" to rezone Alameda County Assessor's Parcel 74-1305-026-1 to Open Space to implement the intent of the voters in passing Measure WW. (That was the first Initiative concerning the original 7.57 acre parcel, therefore, this is the Second Initiative concerning the original 7.57 acre parcel.)
- F. When the circulators of the first "Initiative for Expansion of Open Space at Crab Cove" obtained sufficient qualifying voters' signatures to place the initiative on the ballot, the City Council, by a vote of 5 in favor, to 0, against, passed Ordinance No. 3102, which rezoned the first 3.899 acre portion of the original parcel, now identified as Alameda County Assessor's Parcel 74-1305-026-1, to Open Space District.
- G. On or before June 2016, the United States Department of Agriculture, abandoned its use of the remaining federal buildings on McKay Avenue. The United States Marshal's Office remained until December 2017. On or before December 2017, the federal government sought to dispose of the remaining approximately 3.671 acres of the original parcel, now contained in Alameda County Assessor's Parcel 74-1305-026-2.
- H. The United States of America is the owner of Alameda County Assessor's Parcel 74-1305-026-2, and Alameda Point Collaborative has filed an application with the City of Alameda with the stated objective of removing the Special Government Combining District zoning overlay while allowing the Administrative - Professional District zoning to remain on this parcel. This is prior to or concurrent with the parcel being transferred to a private non-governmental party to start new uses permitted under the Administrative - Professional District zoning.

- I. By lifting the Special Government Combining District zoning overlay and permitting private, non-governmental Administrative - Professional District uses to begin again, the Federal government will frustrate the will of the People of the City of Alameda as well as the voters of both Alameda and Contra-Costa Counties.
- J. This federal property is adjacent to the Robert W. Crown Memorial State Beach and is uniquely suitable for park facilities.
- K. The expansion of Crown Beach for open space use is the highest and best use of the remaining portion of the original parcel.
- L. The designation of the remaining portion of the original parcel of federal land as Open Space provides for uses permitted by the City of Alameda's Municipal Code.

### SECTION 3. PURPOSE

The purpose of this Second Initiative for Expansion of Open Space at Crab Cove is:

- A. To implement the will of the Alameda and Contra Costa County voters as expressed by their approval of Measure WW in the November 2008 general election.
- B. To preserve land particularly suited for open space so that it can be used for park and recreation uses.
- C. To protect the unique plant and animal life at Robert W. Crown Memorial State Beach.
- D. To implement the provisions of Sections 2, 3, 5, and 6, of the City of Alameda General Plan, as those sections pertain to the planning for, and designation of, Open Space District in the City of Alameda.
- E. To amend the City of Alameda General Plan, and General Plan Map so that the land use designation for the approximately 3.671 acre parcel of federal property identified as Alameda County Assessor's Parcel No. 74-1305-026-2, is changed from Administrative - Professional District with a Special Government Combining District overlay, to Open Space District.
- F. To amend the Alameda Zoning Ordinance and Zoning Map so that the land use designation of the approximately 3.671 acre parcel of federal property which is Alameda County Assessor's Parcel No. 74-1305-026-2, is changed from Administrative - Professional District with Special Government Combining District overlay, to Open Space District. Note: The Zoning Map does not contain the Special Government Overlay for this parcel, although the General Plan Map for this parcel contains the Special Government Overlay.

### SECTION 4. AMENDMENT OF THE GENERAL PLAN, ZONING PLAN, AND ZONING MAP OF THE CITY OF ALAMEDA.

- A. The City of Alameda's General Plan Map is shown herein as follows:
  - 1) The approximately 3.671 acre parcel of federal land which is identified as Alameda County Assessor's Parcel 74-1305-026-2, identified in Exhibit 1, which is incorporated herein by this reference, is currently zoned Administrative - Professional District with Special Government Combining District overlay.

B. The City of Alameda's General Plan Map is hereby amended as follows:

- I) The blue color on Alameda County Assessor's Parcel No. 74-1305-026-2, currently indicating Special Government Combining District overlay, over Administrative - Professional District, is hereby changed to dark green (indicating Open Space (as shown in Exhibit 2), which is hereby incorporated by this reference.)

C. The City of Alameda's Zoning Plan is hereby amended as follows:

- I) Section 30-4.19 "O", Open Space District is hereby amended to include a new subsection "f" that provides that "The 3.671 acre federal property which is Alameda County Assessor's Parcel No. 74-1305-026-2, is hereby zoned Open Space District." (As shown in Exhibit 5, underlined, which is incorporated herein by this reference).

The (First) "Initiative for Expansion of Open Space at Crab Cove included "SECTION C. 1) Section 30-4.19 O, Open Space District is hereby amended to include a new subsection "e" that provides that "The 3.899 acre surplus federal property which is a portion of Alameda County Assessor's Parcel No. 74-1305-026, is hereby zoned Open Space."

Note: The new subsection "e" as contained above, in the first "Initiative for Expansion of Open Space at Crab Cove" has not been incorporated in the Alameda Zoning Ordinance, hence the sequential labeling of the next subsection is referred to herein as "f". Should the continued omission of subsection "e" be deemed an error of intention, this subsection may be renamed "e" in its place.

D. The City of Alameda's Zoning Map is hereby amended as follows:

- I) Alameda County Assessor's Parcel 74-1305-026-1 is reflected in Exhibit 7 which is incorporated herein by this reference as light lavender pink for Administrative Professional. There is no Government Overlay depicted on City of Alameda Zoning Map Effective 7/29/2014, Corrected June 2016.
- 2) An approximate 3.671 acre parcel of federal land which is identified as part of the original 7.57 acres identified as Alameda County Assessor's Parcel 74-1305-026, and now further described as Alameda County Assessor's Parcel 74-1305-026-2, is hereby rezoned from Administrative Professional to Open Space as shown in Exhibit 8, which is incorporated herein by this reference. There is no Government Overlay on City of Alameda Zoning Map Effective 7/29/2014, Corrected June 2016, on Alameda County Assessor's Parcel 74-1305-026-1 which is reflected in Exhibit 8, which is incorporated herein by this reference, Administrative Professional.
