Any other insurance held by an additional insured shall not be required to contribute anything toward any loss or expense covered by the insurance provided by this policy.

Provider may be required to fill out a conflict of interest form if the services provided under this Agreement requires Provider to make certain governmental decisions or serve in a staff capacity as defined in Title 2, Division 6, Section 18700 of the California Code of Regulations.

12. PROHIBITION AGAINST TRANSFERS:

a. Provider shall not assign, sublease, hypothecate, or transfer this Agreement, or any interest therein, directly or indirectly, by operation of law or otherwise, without prior written consent of the City Manager. The City Manager may consent or reject such request in his/her sole and absolute discretion. Any attempt to do so without said consent shall be null and void, and any assignee, sublessee, hypothecate or transferee shall acquire no right or interest by reason of such attempted assignment, hypothecation or transfer. However, claims for money against the City under this Agreement may be assigned by Provider to a bank, trust company or other financial institution without prior written consent.

Such Records, together with supporting documents, shall be kept separate from other documents and records and shall be maintained by Provider for a period of three (3) years after receipt of final payment.

c. If supplemental examination or audit of the Records is necessary due to concerns raised by City's preliminary examination or audit of records, and the City's supplemental examination or audit of the records discloses a failure to adhere to appropriate internal financial controls, or other breach of this Agreement or failure to act in good faith, then Provider shall reimburse the City for all reasonable costs and expenses associated with the supplemental examination or audit.

At the City's request, I will be available at City Hall generally two or three days per week starting

January 3, 2018 or as needed to support project objectives. As needed, I will also provide on-call and email support. At this time, services are anticipated for a four month period, and can be terminated by either party by giving seven days' prior written notice.

My services will be performed under professional standards required by the Statements on Standards for Consulting Services issued by the American Institute of Certified Public Accountants. This engagement does not contemplate the performance of any attest services or the preparation of any financial statements. In performing this engagement, I will be relying on the accuracy and reliability of information provided by the City. The City will make all management decisions and perform all management functions. The City will evaluate the adequacy and results of my services and be responsible for any decisions regarding implementation of my recommendations. City management will be responsible for the accuracy of its records and the reports that it issues.

As I work with City staff to assist in the assembly of any budget or cash flow analysis, I will rely on assumptions and information provided by the City. I will not examine financial forecasts nor provide any form of assurance on the achievability of the forecast or reasonableness of the underlying assumptions. Management is responsible for representations about its plans and expectations and for disclosure of significant information that might affect the ultimate realization of the forecasted results. Further, as the City considers its budget and cash flow analysis, note that there will usually be differences between the projected and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Please also note that my engagement cannot be relied on to disclose errors, fraud, or other illegal acts that may exist. The services that I perform in my engagement will be heavily influenced by the representations that I receive from City personnel. Accordingly, inaccurate or false representations could cause inaccurate findings and, therefore, inappropriate recommendations may be developed and critical recommendations may go unidentified. The City is responsible for the accuracy and completeness of the information provided by City personnel.

My fees for this work will be at an hourly rate of \$175 per hour. Payment for services is due when rendered and interim billings may be submitted as work progresses and expenses are incurred. Billings become delinquent if not paid within 45 days of the invoice date. If billings are past due in excess of 15 days, I may stop all work until your account is brought current, or withdraw from this engagement. The City acknowledges and agrees that I am not required to continue work in the event of the City's failure to pay on a timely basis for services rendered as required by this engagement letter. The City further acknowledges and agrees that in the event I stop work or withdraw from this engagement as a result of the City's failure to pay on a timely basis for services rendered as required by this engagement letter, I shall not be liable for any damages that occur as a result of my ceasing to render services.

I look forward to this project supporting the City of Alameda.

Sincerely,

Susan G. Mayer, CPFO
