Ms. Payne,

I am in the Trans. Commission meeting now and attended Workshop 1. I live on Tarryton Isle and totally support almost all proposed changes. BUT! Not the Class IV Bike Lanes.

All moving traffic must be in the center of the street. People exiting a parked car must NOT have to worry about a bike on the passenger side. People are not used to watching for moving vehicles on the passenger side and could easily open a door in front of a bicyclist. That happens on Shoreline, and I understood that mistakes on Shoreline would NOT be repeated.
