Dear Mayor Ezzy Ashcraft, Vice Mayor Knox White and City Councilmembers,

I am looking forward to attending this evening's city council meeting to voice my strong support for a two-way protected bikeway on Clement Avenue (Item 6-B, Option 2).

The staff team has done an excellent job on public outreach, and there is strong community support for safety improvements and the eventual completion of the Cross Alameda Trail. I could not be more thrilled to support the two-way separated bikeway on Clement both on behalf of Bike East Bay and on behalf of my family as a resident living at 1815 Broadway, one block away from the project.

Thank you for your time and consideration. See you tonight!

Warmly,

Susie Hufstader

Hello Gail, Thank you for your email and the work on this project.

I wanted to reiterate from another email that as a property owner on Clement who lives on the northern side of the street, I am a supporter of this project. I vote for more trees less dead cars and tow trucks. Better bike path for commuting.

I can't be there live for meetings but wanted to give you an official thumbs up!
