RE: Ghirardelli Associates' Proposal of City of Alameda Seaplane Lagoon

Dear Ms. Giles:

Our firm welcomes this opportunity to continue working with the City of Alameda and we are pleased to submit the enclosed cost proposal for continuing our work for the city on the Seaplane Lagoon Ferry Terminal.

We submitted our previous proposal for this work in February of 2019 before the construction schedule had been produced and, projecting our labor costs through an anticipated project completion date in February 2020. It is now apparent that the contractor will not complete construction until April 2020. We therefore respectfully submit the enclosed cost proposal covering our work during the period between our originally anticipated and the currently projected project completion dates. Following anticipated completion of construction, our scope includes some time to help the City close out paperwork and deal with minor follow up and coordination.

Our cost proposal is time and materials based, using the labor rates from the existing contract and our scope of work for this proposal remains per the existing contract.

Sincerely,
