City Council and City Staff: the West Alameda Business Association is already on record in support of this development. As you meet tomorrow to discuss this please consider the economic benefit to Alameda and specifically to West Alameda.

**The proposal to the Council is to lease the City property at Ballena Isle that has been dormant and non-income producing for over 50-years, then build a 4-star, 220-room resort and conference center per the existing General Plan. The first full-service hotel in Alameda since 1926.**

Thank you in advance for your consideration of our endorsement. Linda
