Thanks for the Alert and for taking more positive control of the situation. I request you make one change to the order...it addresses homelessness, but does not exempt volunteers that serve the homeless or other needy poor or infirm. Please include volunteers traveling to or from public assistance locations (like shelters) where they provide aid.

Thank you for considering.

This is an important message from AC Alert, the Alameda County unified mass notification system.

City of Alameda: A curfew is in place in the City of Alameda tonight and tomorrow night, June 1 and 2, from 8pm to 5am. If extended, we will continue to update the community using AC Alert, the City website, and social media.

Last night, May 31 into June 1, the East Bay was hit hard by widespread incidents of looting, burglaries, and violence. Here in Alameda, we experienced a dozen incidents from 9pm to 5am, and arrested 7 individuals. What we experienced was less severe than in neighboring cities, but damage was done to our community. These unfortunate events will also further complicate statewide and regional efforts to slow the spread of COVID-19.

We currently have substantially increased the number of officers we have on duty and have contingency plans in place to address changing circumstances. We ask for your patience, as we are all dedicated to the safety of everyone in Alameda.

The Alameda County Sheriff issued a Curfew Order for the entire County beginning tonight at 8:00pm. Read the County's curfew order here: <https://www.alamedacountysheriff.org/files/2020-06-01-CurfewOrder.pdf>

Subject: RE: [EXTERNAL] Shopping during curfew

Ms. Sterios:

Thanks for bringing your concerns forward. Due to the events occurring we have done a temporary curfew. I am hopeful for it to end soon and if last night which was calm is an indication, I foresee it ending soon. I am only speaking for the City of Alameda curfew which was for two nights and being considered tonight for any extensions.

I am not speaking regarding the County wide one which I am unsure of the length. I am copying the Council so that they have it for discussion tonight.

Thanks again,

Eric Levitt
City Manager

Many residents are working from home and can only shop after 8 pm, what should we do? We can't afford store delivery or putting our shopping needs on someone else. Our store is open until 11 pm so is that considered exempt? We have no options and can't wait until Saturday to shop.

Respectfully an Alamedian who plays by the rules.
