Natural Components

Nature-Inspired Log and Stone Pillars

AGES: 2-12

- Color and texture of real wood or stone facilitates imagination and awakens sensory skills
- Use as freestanding stepper, independently or with other pillars to access a deck
- Available in 12" (0,30m), 18" (0,46m), and 24" (0,61m) heights
- Each pillar sold separately

Stump Climber AGES: 5-12

- Four connected "wood" stumps of varying height
- Non-linear climbing route provides challenge and opportunity to practice balance
- Place next to a structure to access a 4' (1,22m) deck

Log Crawl

ZZUN8807 • AGES: 2-12

APPROX. PRICE: \$3,695

- Provides a cozy spot for hiding, relaxing, socializing, and imagining
- Made of glass fiber reinforced concrete (GFRG) for durability and easy maintenance

Rock Log

ZZBD0027 • AGES: 2-12

APPROX. PRICE: \$8,795

- The flex-design lets you turn it into a balance beam, a bridge, or a bench
- Promotes fitness and social play: kids can sit, walk, climb, and jump into a new adventure
- Looks like a real wood log, but without the maintenance worries of one

Oak Trunk AGES: 5-12

- Kids can pretend to be woodland creatures as they scurry up this tree trunk
- Undefined paths with multiple handholds offer a challenging climb
- Rotate to access multiple decks at different heights (3' [0,91m], 4' [1,22m], 5' [1,52m], 6' [1,83m])

Boulder Climber AGES: 5-12

- Littlest boulder has defined steps for beginning climbers
- Place next to a structure to access a 3' (0,91m) deck
