

Motion to approve the proposed budget with the following direction:

- A special City Council meeting will be called before June 30th with one agenda item:
  - o City Council workshop on setting goals, discussing concepts and work planning in support of engaging the Alameda Community in discussions of transforming how our City provides community services, responses and law enforcement. Review and Provide direction on Policing policies and procedures.
- The 20/21 budget is approved with the direction that it return for further consideration in October 2020 with proposed changes identified and developed during the Council and community engagement process
- The council will hold special council meetings as needed and work through the August break to facilitate the process for transforming how our City provides community services, responses and law enforcement.
- Staff will return to the council with a proposal for changing any response protocols for Alameda Police. Including any changes announced in May or June 2020, including any budgetary impacts.
- All Policing policy changes will be brought to the City Council for approval before implementation. In the instance where changes in State or Federal law or courts rule that change is required, changes can be made and brought to the next available council meeting for ratification and if approved, posted onto the City website.
- As the 19/20 budget had significantly reduced spending for the police department that resulted in a nearly \$3million savings, the budget is approved with the following stipulations relative to the Police budget:
  - o Hold current vacancies until the October budget meeting.
  - o Grant the City Manager authority to shift funds as needed through October 2020, with continued public reporting, to cover changes in service related to service response policies that are approved by the City Council or have been announced or will be implemented before October 2020.
  - o Begin the process to sell the Ballistic Armored Tactical Transport response vehicle and return to Council with policies that outline collaboration with regional partners for the rare occasion when such a vehicle may be needed.
  - o In an effort to demilitarize our police department, funds allocated to APD may not be used to purchase, procure, or maintain military grade equipment (Tear Gas, armored vehicles, etc.)
  - o We support the proposed removal of City police staff from Alameda Schools per the agreement made with AUSD
