Dear Planning Board President Curtis, Planning Board Members Cavanaugh, Hom, Rothenberg, Ruiz, Saheba, Teague and City Staff,

I am writing to support item 6A on your June 22nd agenda, the the Conditional Use Permit for Alameda Commercially Zoned Properties to allow the temporary use of privately owned outdoor space and parking lots and City owned sidewalks and on-street parking spaces within certain commercially zoned districts for retail and commercial purposes, including the designated areas within the Downtown Alameda Business Association BIA, during the COVID-19 Health Emergency.

As a member of the Downtown Alameda Business Association Board of Directors and a member of the newly formed Alameda Restaurant and Bar Coalition I am appreciative of the swift and thoughtful response by the Mayor, City Council and City staff. The hours of discussion, collaboration and planning have resulted in a well-crafted map for our road to recovery.

As the gradual lifting of the shelter-in-place order begins to take effect, our Downtown business district is now poised to enact creative reentry strategies that provide social distancing etiquette and support for our businesses.

We are grateful for your time and careful consideration.
