Subject: [EXTERNAL] Sept 1 Council Meeting- item 6-C: keep families housed
Date: Sunday, August 30, 2020 6:16:23 PM

Dear Councilmembers,

I am writing to express strong support for item 6-C, limiting a landlord's ability to file an unlawful detainer for unpaid rent if they have a deferred rent agreement. This ordinance will help stabilize our community, preventing many renters from being evicted from their homes and into homelessness because of lost income during the COVID-19 pandemic.

While federal and state governments have the primary role to play in financially and legally ensuring tenants stay housed and they should create a funding solution to ensure nonprofit housing providers and small landlords stay solvent during and after the pandemic, your yes vote this evening can help more tenants stay stable until broad and effective solutions can be enacted. Please vote yes on this ordinance.

Thank you,

Grover Wehman-Brown
