Hi Lara,

I would like to add the following to the next agenda for the Open Government Commission meeting, 2/1/21.

Consideration of amending Sunshine Ordinance Section 2-91.1 (d)(3) & (4) to define the word “created” to cover the formal action of any policy body that plays a part in bringing another committee or body in existence. Also consideration of amending Sec. 2-91.1 (d) (6) to delete the exclusion of an ad hoc committee from the definition of a “policy body”, as such exclusion appears to conflict with Sec. 54952 (b) of the Brown Act. Also consideration of any other appropriate amendments to Sec. 2-91.1.

Thank you so much.

Best,

Carmen
