2. PREMISES.

2.1 Premises. The Premises demised by this Lease are as specified in the Basic Lease Information and Exhibit A. The Premises have the address and contain the square footage specified in the Basic Lease Information; provided, however, that any statement of square footage set forth in this Lease is an approximation which Landlord and Tenant agree is reasonable and no economic terms based thereon shall be subject to revision whether or not the actual square footage is more or less.

2.2 Possession. Tenant accepts the Premises in “AS IS” “WITH ALL FAULTS” condition and configuration without any representations or warranties by Landlord, and subject to all matters of record and all applicable laws, ordinances, rules and regulations, with no obligation of Landlord to make alterations or improvements to the Premises. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the suitability of the Premises or infrastructure for the conduct of Tenant’s business. Landlord shall not be liable for any latent or patent defects in the Premises. Tenant shall be responsible for requesting an inspection and obtaining a Certificate of Occupancy from the City of Alameda. This shall include, but is not limited to any necessary fire sprinkler upgrades, electrical service upgrades, compliance with the ADA (as defined at Section 6.2 below), and any other requirements mandated by the Certificate of Occupancy inspection.

3. TERM.

3.1 Term. The term of this Lease (“**Term**”) shall be for the period specified in the Basic Lease Information commencing on the Commencement Date and terminating on the **Expiration Date**, unless sooner terminated.

3.2 Delay and Delivery. If for any reason Landlord has not delivered to Tenant possession of the Premises by the Commencement Date set forth in the Basic Lease Information, this Lease shall remain in effect and Landlord shall not be liable to Tenant for any loss or damage resulting therefrom.

4. RENT.

4.1 Rent.

(a) Generally. From and after the Commencement Date, Tenant shall pay to Landlord, in advance of the first day of each calendar month, without any setoff or deduction and without further notice or demand, the monthly installments of rent specified in the Basic Lease Information (“**Rent**”).

(b) Rent Offset. The monthly rent shall be offset by cost of the Alterations described in Exhibit B.

4.2 Late Charge. Other remedies for non-payment of Rent notwithstanding, if any Monthly Rent is not received by Landlord on or before the fifth (5th) day following the due date, or any payment due Landlord by Tenant which does not have a scheduled date is not received by Landlord on or before the thirtieth (30th) day following the date Tenant was invoiced for such charge, a late charge of five percent (5%) of such past due amount shall be immediately due and payable as Additional Rent.

4.3 Interest. Any installment of Rent and any other sum due from Tenant under this Lease which is not received by Landlord within five (5) days from when the same is due shall bear interest from the date such payment was originally due under this Lease until paid at the lesser of: (a) an annual rate equal to the maximum rate of interest permitted by law, or (b) ten percent (10%) per annum. Payment of such interest shall not excuse or cure any Default by Tenant.

5. USE; COMPLIANCE WITH LAWS.

5.1 Use. The Premises shall be used for the Permitted Use and for no other use whatsoever. At no time shall Tenant have the right to install, operate or maintain telecommunications or any other equipment on the roof or exterior areas of the Premises, except as may be necessary for Tenant’s Permitted Use of the Premises and Tenant’s installation of such equipment is done in full compliance with Article 8. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the Premises or with respect to the suitability or fitness of either for the conduct Tenant’s business or for any other purpose.

5.2 Compliance with Laws. Tenant shall comply with all laws, ordinances, rules, regulations and codes, of all municipal, county, state and federal authorities, including the Americans With Disabilities Act, as amended, (42 U.S.C. Tenant shall be responsible for making all improvements and alterations necessary to bring the Premises into compliance with applicable ADA requirements and to ensure that the Premises remain in compliance throughout the Term of this Lease. Tenant shall not commit, or suffer to be committed, any waste upon the Premises or any public or private nuisance, nor shall Tenant store any materials on the Premises which are visible from areas adjacent to the Premises, unless otherwise specifically set forth in this lease. Tenant shall not permit any objectionable odor to escape or be emitted from the Premises and shall ensure that the

Tenant shall not do or permit anything to be done on or about the Premises or bring or keep anything into the Premises which will in any way increase the rate of, invalidate, or prevent the procuring of any insurance, protecting against loss or damage to the Premises or any of its contents by fire or other casualty or against liability for damage to property or injury to person in or about the Premises.

5.3 Use Permit. Tenant and any of its subtenants shall maintain a City of Alameda Use Permit and other applicable City permits and approvals for the intended use of the Premises (collectively “**Use Permit**”).

(“**Utilities**”).

6.2 No Liability of Landlord. Except in the case of Landlord’s gross negligence or willful misconduct, in no event shall Landlord be liable or responsible for any loss, damage, expense or liability, including, without limitation, loss of business or any consequential damages, arising from any failure or inadequacy of any service or Utilities provided to the Premises, whether resulting from any change, failure, interference, disruption or defect in supply or character of the service or Utilities provided to the Premises, or arising from the partial or total unavailability of the service or utility to the Premises, from any cause whatsoever, or otherwise, nor shall any such failure, inadequacy, change, interference, disruption, defect or unavailability constitute an actual or constructive eviction of Tenant, or entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from its obligations under this Lease.

7. PERSONAL PROPERTY AND POSSESSORY INTEREST TAXES.

7.1 Tenant’s Tax Obligation. “**Taxes**” shall mean all taxes, assessments and governmental charges, whether federal, state, county or municipal, and whether general or special, ordinary or extraordinary, foreseen or unforeseen, imposed upon Tenant’s personal property or trade fixtures, the Premises, or any possessory interest therein, or their operation, whether or not directly paid by Landlord.

7.2 Personal Property Taxes. Tenant shall pay all Taxes (as hereinafter defined) levied or imposed against the Premises or Tenant’s personal property or trade fixtures placed by Tenant in or about the Premises during the Term (“**Personal Property Taxes**”).

7.3 Possessory Interest Taxes. The interest created by this Lease may at some time be subject to property taxation under the laws of the State of California. If property taxes are imposed, the party in whom the possessory interest is vested may be subject to the payment of the taxes levied on such interest. This notice is included in this Lease pursuant to the requirements of section 107.6 (a) of the Revenue and Taxation Code of the State of California.

7.4 Payment. Tenant shall pay the Personal Property Taxes or possessory interest taxes in accordance with the instructions of the taxing entity. All Personal Property Taxes originally imposed upon Landlord and payable by Tenant with respect to the Premises shall be prorated on a per diem basis for any partial tax year included in the Term. Tenant's obligation to pay Taxes during the last year of the Term shall survive the termination of this Lease.

8. ALTERATIONS.

8.1 Landlord Consent Required. Tenant shall not make any alterations, improvements, or additions (each an "**Alteration**") in or about the Premises or any part thereof without the prior written consent of Landlord. Notwithstanding the foregoing, Tenant shall have the right to make the Alterations that are described in Exhibit B to this Lease, as Landlord's consent to these Alterations has been provided.

8.2 Alterations. Any Alterations to the Premises shall be at Tenant's sole cost and expense, and made in compliance with all applicable Laws and all reasonable requirements requested by Landlord. Prior to starting work, Tenant shall furnish Landlord with plans and specifications (which shall be in CAD format if requested by Landlord); names of contractors reasonably acceptable to Landlord; required permits and approvals; evidence of contractors and subcontractors insurance in amounts reasonably required by Landlord and naming Landlord as an additional insured; and any security for payment in performance and amounts reasonably required by Landlord. In addition, if any such Alteration requires the removal of asbestos, an appropriate asbestos disposal plan, identifying the proposed disposal site of all such asbestos, must be included with the plans and specifications provided to Landlord. All Alterations shall be made in a good and workmanlike manner and in a manner that will not disturb other tenants, in accordance with Landlord's then-current guideline for construction, and Tenant shall maintain appropriate liability and builders' risk insurance throughout the construction. Tenant shall indemnify, defend, protect and hold Landlord harmless from and against any and all claims for injury to or death of persons or damage or destruction of property arising out of or relating to the performance of any Alterations by or on behalf of Tenant. Under no circumstances shall Landlord be required to pay, during the Term (as the same may be extended or renewed) any ad valorem or other Taxes on such Alterations, Tenant hereby covenanting to pay all such taxes when they become due.

8.3 Excavations. In the event Tenant intends to perform any Alterations requiring excavations below the surface of the Premises or construction of a permanent structure on the Premises, Tenant must determine the actual location of all utilities using standard methods (i.e., potholing, metal fish line, etc.) and submit this information with an application to excavate or application to build a permanent structure to Landlord for approval (which shall also include the approval of other applicable governmental authorities). The application shall include a site plan showing the location of utilities and that construction will not take place above the utility line or within the utility easement, specifically showing that no permanent structure will be constructed in these areas.

8.4 Liens. Tenant shall pay when due all claims for labor or materials furnished Tenant for use in the Premises. Tenant shall not permit any mechanic liens, stop notices, or any other liens against the Premises, Alterations or any of Tenant's interests under this Lease for any labor or materials furnished to Tenant in connection with work performed on or about the Premises by or at the direction of Tenant. Tenant shall indemnify, hold harmless and defend Landlord (by counsel reasonably satisfactory to Landlord) from any liens and encumbrances arising out of any work performed or materials furnished by or at the direction of Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien or stop notice, cause such lien or stop notice to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided herein or by law, the right, but not the obligation, to cause the same to be released by such means as it may deem proper, including payment of the claim giving rise to such lien. All such sums paid by Landlord and expenses reasonably incurred in connection therewith, including attorneys' fees and costs, shall be payable to Landlord by Tenant on demand.

9. MAINTENANCE AND REPAIR OF PREMISES.

9.1 Maintenance and Repair by Tenant.

(a) Tenant Maintenance. Tenant shall, at its sole cost and expense, maintain the Premises in good repair and in a neat and clean, first-class condition, including making all necessary repairs and replacements. Tenant's repair and maintenance obligations include, without limitation, repairs to: (i) floor coverings; (ii) interior partitions; (iii) doors; (iv) the interior side of demising walls; (v) fire life safety systems, including sprinklers, fire alarms and/or smoke detectors; (vi) Alterations, described in Article 8; (vii) heating, ventilation and air conditioning (HVAC) systems exclusively serving the Premises; (viii) kitchens; (ix) plumbing and similar facilities exclusively serving the Premises, whether such items are installed by or on behalf of Tenant or are currently existing at the Premises; and (x) telephone and data equipment, and cabling.

(b) Tenant Repair. Tenant shall further, at its own costs and expense, repair or restore any damage or injury to all or any part of the Premises caused by Tenant or Tenant's agents, employees, invitees, licensees, visitors or contractors.

9.2 Maintenance and Repair by Landlord. Landlord shall maintain in good repair (a) the structural elements of the Premises, including structural elements of exterior walls and foundations; and (b) the roof of the Premises. Tenant hereby waives any and all rights under and benefits of subsection 1 of Section 1932, and Sections 1941 and 1942 of the California Civil Code or any similar or successor Laws now or hereby in effect. Tenant shall immediately give Landlord written notice of the need for repair of the items for which Landlord is responsible. If Tenant or Tenant's invitees or anyone in the employed or control of Tenant caused any damages necessitating such repair, then Tenant shall pay to Landlord the cost thereof, immediately upon demand therefor. Except as otherwise expressly set forth in this Lease, Tenant waives any right to terminate this Lease or offset or abate Rent by reason of any failure of Landlord to make repairs to the Premises.

10. ENVIRONMENTAL PROTECTION PROVISIONS.

10.1 Hazardous Materials. “**Hazardous Materials**” shall mean any material, substance or waste that is or has the characteristic of being hazardous, toxic, ignitable, reactive, flammable, explosive, radioactive or corrosive, including, without limitation, petroleum, solvents, lead, acids, pesticides, paints, printing ink, PCBs, asbestos, materials commonly known to cause cancer or reproductive harm and those materials, substances and/or wastes, including wastes which are or later become regulated by any local governmental authority, the state in which the Premises are located or the United States Government, including, but not limited to, substances defined as “hazardous substances,” “hazardous materials,” “toxic substances” or “hazardous wastes” in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. §1801, et seq.; the Resource Conservation and Recovery Act; all environmental laws of the state where the Premises are located, and any other environmental law, regulation or ordinance now existing or hereinafter enacted. “**Hazardous Materials Laws**” shall mean all present and future federal, state and local laws, ordinances and regulations, prudent industry practices, requirements of governmental entities and manufacturer’s instructions relating to industrial hygiene, environmental protection or the use, analysis, generation, manufacture, storage, presence, disposal or transportation of any Hazardous Materials, including without limitation the laws, regulations and ordinances referred to in the preceding sentence.

10.2 Reportable Uses Required Consent. Except as permitted in this Article 10, Tenant hereby agrees that Tenant and Tenant’s officers, employees, representatives, agents, contractors, subcontractors, successors, assigns, subtenants, concessionaires, invitees and any other occupants of the Premises (for purposes of this Article 10, referred to collectively herein as “**Tenant Parties**”) shall not cause or permit any Hazardous Materials to be used, generated, manufactured, refined, produced, processed, stored or disposed of, on, under or about the Premises or transported to or from the Premises without the express prior written consent of Landlord, which consent may be limited in scope and predicated on strict compliance by Tenant with all applicable Hazardous Materials Laws and such other reasonable rules, regulations and safeguards as may be required by Landlord (or any insurance carrier, environmental consultant or lender of Landlord, or environmental consultant retained by any lender of Landlord) in connection with using, generating, manufacturing, refining, producing, processing, storing or disposing of Hazardous Materials on, under or about the Premises. In connection therewith, Tenant shall, at its own expense, procure, maintain in effect and comply with all conditions of any and all permits, licenses and other governmental and regulatory approvals required for the storage or use by Tenant or any of Tenant Parties of Hazardous Materials on the Premises, including without limitation, discharge of (appropriately treated) materials or wastes into or through any sanitary sewer serving the Premises. The foregoing notwithstanding, Tenant may use ordinary and customary materials reasonably required to be used in the course of the Permitted Use, ordinary office supplies (copier, toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Hazardous Materials Laws and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Landlord to any liability therefor.

10.3 Remediation Obligations. If at any time during the Term, any contamination of the Premises by Hazardous Materials shall occur where such contamination is caused by the act

or omission of Tenant or Tenant Parties (“**Tenant’s Contamination**”), then Tenant, at Tenant’s sole cost and expense, shall promptly and diligently remediate such Hazardous Materials from the Premises or the groundwater underlying the Premises to the extent required to comply with applicable Hazardous Materials Laws. Tenant shall not take any required remedial action in response to any Tenant’s Contamination in or about the Premises or enter into any settlement agreement, consent, decree or other compromise in respect to any claims relating to any Tenant’s Contamination without first obtaining the prior written consent of Landlord, which may be subject to conditions imposed by Landlord as determined in Landlord’s sole discretion. Such prior written consent shall not be required to the extent the delay caused by the requirement to obtain consent may increase the damage to the Premises or the risk of harm to human health, safety, the environment or security caused by the Tenant Contamination. Landlord and Tenant shall jointly prepare a remediation plan in compliance with all Hazardous Materials Laws and the provisions of this Lease. In addition to all other rights and remedies of Landlord hereunder, if Tenant does not promptly and diligently take all steps to prepare and obtain all necessary approvals of a remediation plan for any Tenant’s Contamination, and thereafter commence the required remediation of any Hazardous Materials released or discharged in connection with Tenant’s Contamination within thirty (30) days after all necessary approvals and consents have been obtained, and thereafter continue to prosecute such remediation to completion in accordance with the approved remediation plan, then Landlord, at its sole discretion, shall have the right, but not the obligation, to cause such remediation to be accomplished, and Tenant shall reimburse Landlord within fifteen (15) business days of Landlord’s demand for reimbursement of all amounts reasonably paid by Landlord (together with interest on such amounts at the highest lawful rate until paid), when such demand is accompanied by proof of payment by Landlord of the amounts demanded. Tenant shall promptly deliver to Landlord, copies of hazardous waste manifests reflecting the legal and proper disposal of all Hazardous Materials removed from the Premises as part of Tenant’s remediation of any Tenant’s Contamination. The foregoing notwithstanding, “Tenant’s Contamination” shall not refer to or include any Hazardous Materials that were not clearly introduced to the Premises by Tenant or Tenant Parties. As an example, if lead dust or asbestos are found on the Premises, unless there is clear evidence that Tenant introduced those Hazardous Materials to the Premises or they were dislodged by a Tenant Alteration, those Hazardous Materials shall not be considered “Tenant’s Contamination,” and it shall not be Tenant’s responsibility to take remedial action relating to such Hazardous Materials.

10.4 Environmental Permits. Tenant and Tenant Parties shall be solely responsible for obtaining and complying with, at their cost and sole expense, any environmental permits required for Tenant’s operations under this Lease, independent of any existing permits held by Landlord. Tenant shall not conduct operations or activities under any environmental permit that names Landlord as a secondary discharger or co-permittee. Tenant shall provide prior written notice to Landlord of all environmental permits and permit applications required for any of Tenant’s operations or activities. Tenant acknowledges that Landlord will not consent to being named a secondary discharger or co-permittee for any operations or activities of Tenant, its contractors, assigns or subtenants. Tenant shall strictly comply with any and all environmental permits (including any hazardous waste permit required under the Resource Conservation and Recovery Act or its state equivalent) and must provide, at its own expense, any hazardous waste management facilities complying with all Hazardous Material Laws.

10.5 Landlord's Inspection Right. Landlord shall have the right to inspect, upon reasonable notice to Tenant, the Premises for Tenant's compliance with this Article 10. Landlord normally will give Tenant twenty-four (24) hours' prior notice of its intention to enter the Premises unless it determines the entry is required for exigent circumstances related to health, safety, or security; provided, however, Landlord agree to use its best commercial efforts to provide Tenant with the maximum advance notice of any such entrance and will, without representation or warranty, attempt to structure such entrance in the least intrusive manner possible. Tenant shall have no claim against Landlord, or any officer, agent, employee, contractor or subcontractor of Landlord by reason of entrance of such Landlord officer, agent, employee, contractor or subcontractor onto the Premises.

10.6 Hazardous Materials Indemnity. In addition to any other provisions of this Lease, Tenant shall, and does hereby agree, to, indemnify and hold harmless Landlord from any costs, expenses, liabilities, fines or penalties resulting from discharges, emissions, spills, storage or disposal arising from Tenant's occupancy, use or operations, or any other action by Tenant or its contractors, employees, agents, assigns, invitees, or subtenants giving rise to liability, civil or criminal, or any other action by Tenant or its contractors, employees, agents, assigns, or subtenants giving rise to responsibility under any Hazardous Materials Laws. Tenant's obligations hereunder shall apply whenever Landlord incurs costs or liabilities for Tenant's activities or for the activities of Tenant's contractors, employees, agents, assigns, invitees, or subtenants as provided hereunder. This provision shall survive the expiration or termination of this Lease.

11. ASSIGNMENT AND SUBLETTING.

Tenant shall not voluntarily or by operation of law, (a) mortgage, pledge, hypothecate or encumber this Lease or any interest therein, (b) assign or transfer this Lease or any interest herein, sublease the Premises or any part thereof or any right or privilege appurtenant thereto, or allow any other person (the employees and invitees of Tenant excepted) to occupy or use the Premises, or any portion thereof, without first obtaining the written consent of Landlord, which may be withhold at Landlord's sole discretion.

12. INDEMNITY AND WAIVER OF CLAIMS.

12.1 Tenant Indemnification. Tenant shall indemnify, defend and hold Landlord and Landlord Related Parties harmless against and from all liabilities, obligations, damages, penalties, claims, actions, costs, charges, judgment and expenses (including reasonable attorneys' fees, costs and disbursements) (collectively referred to as "**Losses**"), arising from (a) the use of, or any activity done, permitted or suffered in or about the Premises; (b) any act, neglect, fault, willful misconduct of Tenant or Tenant's agents, or (c) from any breach or default in the terms of this Lease by Tenant or Tenant's agents, except to the extent such claims arise out of or relate to the gross negligence or willful misconduct of Landlord. If any action or proceeding is brought against Landlord by reason of any such claim, upon notice from Landlord, Tenant shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord. As a material part of the consideration to Landlord, Tenant hereby releases Landlord and its trustees, members, principals, beneficiaries, partners, officers, directors, employees, property managers, , contractors and agents ("**Landlord Related Parties**") from responsibility

for, waives its entire claim of recovery for and assumes all risks of (i) damage to property or injury to person in or about the Premises from any cause whatsoever except to the extent caused by the gross negligence or willful misconduct of Landlord or any Landlord Related Parties, or (ii) loss resulting from business interruption or loss of income at the Premises.

12.2 Waiver of Claims. Except in the event of its own gross negligence or willful misconduct, Landlord shall not be liable to Tenant and Tenant hereby waives all claims against Landlord and Landlord Related Parties for any injury or damage to any person or property occurring or incurred in connection with or in any way relating to the Premises from any cause. Without limiting the foregoing, neither Landlord nor any Landlord Related Party shall be liable for and there shall be no abatement rent for (a) any damage to Tenant's property stored with or entrusted to any Landlord Related Party, (b) loss of or damage to any property by theft or any other wrongful or illegal act, or (c) any injury or damage to person or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Premises or from the pipes, appliances, appurtenance or plumbing works thereof or from the roof, street or surface or from any other place or resulting from dampness or any other cause whatsoever or from the acts or omissions of other tenants, occupants or other visitors to the Premises or from any other cause whatsoever, (d) any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Premises or (e) any latent or other defects in the Premises. Tenant agrees that in no case shall Landlord or any Landlord Related Party be responsible or liable on any theory for any injury to Tenant's business, loss of profits, loss of income or any other form of consequential damage.

12.3 Survival/No Impairment. The obligations of Tenant under this Article 12 shall survive any termination of this Lease. The foregoing indemnity obligations shall not relieve any insurance carrier of its obligations under any policies required to be carried by either party pursuant to this Lease, to the extent that such policies cover the peril or currents that results in the claims that is subject to the foregoing indemnity.

13. INSURANCE.

13.1. Tenant's Insurance. On or before the commencement of the Term of the Lease, Tenant shall procure and maintain for the duration of the Lease, insurance against claims for injuries to persons or damages to property which may arise from or in connection with Tenant's operation and use of the Premises. The cost of such insurance shall be borne by Tenant. Tenant shall maintain the following types of insurance with limits no less than the following as set forth below.

Commercial General Liability Coverage: Five Hundred Thousand Dollars (\$500,000) each occurrence and One Million Dollars (\$1,000,000) in the aggregate for bodily injury and property damage combined, or such larger amount as Landlord may prudently require from time to time, covering bodily injury and property damage liability. Each policy of liability insurance required by this Section shall: (i) contain a cross liability endorsement or separation of insureds clause; (ii) provide that any waiver of subrogation rights or release prior to a loss does not void coverage; (iii) provide that it is primary to and not contributing with, any policy of insurance carried by Landlord covering the same loss; (iv) provide that any failure to comply with the reporting provisions shall not affect coverage provided to Landlord and (v) name Landlord and

such other parties in interest as Landlord may from time to time reasonably designate to Tenant in writing, as additional insureds in an Additional Insured Endorsement. Such additional insureds shall be provided at least the same extent of coverage as is provided to Tenant under such policies. The additional insured endorsement shall be in a form at least as broad as endorsement form number CG 20 11 01 96 promulgated by the Insurance Services Office.

Worker's Compensation Insurance; Employer's Liability Insurance. Tenant shall, at Tenant's expense, maintain in full force and effect during the Term of this Lease, worker's compensation insurance with not less than the minimum limits required by law, and employer's liability insurance with a minimum limit of coverage of One Million Dollars (\$1,000,000.00).

13.2 Requirements For All Policies. Each policy of insurance required under Section 13.1 shall: (a) be in a form, and written by an insurer, reasonably acceptable to Landlord, (b) be maintained at Tenant's sole cost and expense, and (c) require at least thirty (30) days' written notice to Landlord prior to any cancellation, nonrenewal or modification of insurance coverage. Insurance companies issuing such policies shall have rating classifications of "A-" or better and financial size category ratings of "VII" or better according to the latest edition of the Best Key Rating Guide. All insurance companies issuing such policies shall be admitted carriers licensed to do business in the state where the Premises is located. Any deductible amount under such insurance shall not exceed \$5,000. Tenant shall provide to Landlord, upon request, evidence that the insurance required to be carried by Tenant pursuant to this Section, including any endorsement affecting the additional insured status, is in full force and effect and that premiums therefor have been paid. Tenant shall, at least thirty (30) days prior to expiration of each policy, furnish Landlord with certificates of renewal thereof and shall provide Landlord with at least thirty days prior written notice of any cancellation or modification. Landlord and Tenant agree, to the extent such waivers are commercially reasonable, to have their respective insurance companies waive any rights of subrogation that such company may have against Landlord or Tenant, as the case may be.

13.3. Certificates of Insurance. Upon execution of this Lease by Tenant, and not less than thirty (30) days prior to expiration of any policy thereafter, Tenant shall furnish to Landlord a certificate of insurance reflecting that the insurance required by this Article is in force, accompanied by an endorsement(s) showing the required additional insureds satisfactory to Landlord in substance and form.

13.6 Landlord's Insurance. During the Term, Landlord, at its sole and absolute discretion, keep in effect property insurance covering the Premises in amounts not less than the full insurance replacement value thereof (but not on any Alterations or any of Tenant's property) with customary limits and deductibles, together with such other types of insurance coverage, if any, as Landlord, in Landlord's sole discretion, may elect to carry.

14. DEFAULT.

14.1 Events of Default. The occurrence of any of the following shall constitute a "Default" by Tenant:

(a) Tenant fails to make any payment of Rent when due, if payment in full is not received by Landlord within five (5) days after written notice that it is past due.

(b) Tenant abandons the Premises as defined in Section 1951.3 of the California Civil Code.

(c) Tenant fails timely to deliver any subordination document or estoppel certificate requested by Landlord within the applicable time period specified hereinbelow.

(d) Tenant ceases doing business as a going concern; makes an assignment for the benefit of creditors; is adjudicated an insolvent, files a petition (or files an answer admitting the material allegations of a petition) seeking relief under any state or federal bankruptcy or other statute, law or regulation affecting creditors' rights; all or substantially all of Tenant's assets are subject to judicial seizure or attachment and are not released within thirty (30) days, or Tenant consents to or acquiesces in the appointment of a trustee, receiver or liquidator for Tenant or for all or any substantial part of Tenant's assets.

(e) Tenant fails to perform or comply with any provision of this Lease other than those described in (a) through (d) above, and does not fully cure such failure within fifteen (15) days after notice to Tenant or, if such failure cannot be cured within such fifteen (15) day period, Tenant fails within such fifteen (15)-day period to commence, and thereafter diligently proceed with, all actions necessary to cure such failure as soon as reasonably possible but in all events within ninety (90) days of such notice.

14.2 Remedies. Upon the occurrence of any Default under this Lease, whether enumerated in Section 15.1 or not, Landlord shall have the option to pursue any one or more of the following remedies without any notice (except as expressly prescribed herein) or demand whatsoever. Without limiting the generality of the foregoing, Tenant hereby specifically waives notice and demand for payment of Rent or other obligations, and waives any and all other notices or demand requirements imposed by applicable Law:

(a) Terminate this Lease and Tenant's right to possession of the Premises and recover from Tenant an award of damages for unpaid rent.

(b) Employ the remedy described in California Civil Code § 1951.4 (Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover Rent as it becomes due, if Tenant has the right to sublet or assign, subject only to reasonable limitations); or

(c) Notwithstanding Landlord's exercise of the remedy described in California Civil Code § 1951.4 in respect of an event or events of Default, at such time thereafter as Landlord may elect in writing, to terminate this Lease and Tenant's right to possession of the Premises and recover an award of damages as provided above.
