

Recommendations for Commercial Streets

Transportation Commission
July 28, 2021

1

Recommendation

Review and comment on
City staff's
5 recommendations on
5 components of the
Commercial Streets
program

2

How did we get here?

- March 17, 2020: Shelter in Place
- Indoor dining and most retail closed
- Physical distancing requirements
- Business request for support

3

Original program objectives

- Support business needs for additional space to meet temporary changes in operations to address safety/COVID-19.
- Create more space to safely walk along the corridors while physically distancing.
- Create more space to safely stand in lines to shop at businesses while also allowing space for people to walk along corridor.
- Create more space for well-separated (6 feet or more) dining and shopping.
- Create more space for customer pick-up of products and to-go meals.

4

Commercial Streets program

1. Park Street and Webster Street Reconfiguration
2. Parklets & Sidewalk Usage
3. Parking Reconfiguration
4. Alameda Avenue Closure
5. Citywide Use Permit

5

Where we are today

- 75% of Alamedans vaccinated
- Cases increasing, recommendations for indoor mask wearing
- Business recovery just beginning
- Unknown future travel patterns
- Planning for active transportation, vision zero and bus transit

6

Program evaluation

- Online Surveys and Events
 - Over 1,750 respondents to community survey
 - 2 virtual town halls and 2 in-person events
 - DABA and WABA business surveys and 2 business forums
- Collision Data
- Auto Traffic Data
- Key stakeholders

7

Staff recommendations

- **High level:**
 - Use next two years to continue to improve and make changes to the program components to address known problems.
 - Continue to monitor regional and local transportation and health conditions.
 - Complete vision zero, active transportation and bus transit planning.
 - Provide regular updates to TC and Council

Park + Webster: What we did

- Restriped core segments:
 - Park: Lincoln to San Jose
 - Webster: Lincoln to Central
- 4 to 2 auto lanes + dedicated left turn pockets
- Room along curb for parklets
- Pedestrian bulbouts and shorter crossings

9

Park + Webster: What we recommend

- Retain existing striping for next 2 years
- Make improvements to parking, bollards, striping
- Bring recommendations for final configuration in 2 years

10

Park + Webster: Why

- Prioritizes safety and walking
- Allows for business recovery
- Businesses support
- Majority of community respondents support

Parklets & Sidewalk Usage: What we did

- Streamlined parklet permit program and waived fees
- 32 parklet permits issued; 27 currently active
- 6 sidewalk usage permits issued, including one for all businesses within WABA and one for DABA

Parklets & Sidewalk Usage: What we recommend

- Revise program to allow for semi-permanent parklets that meet higher safety and aesthetic standards
- Annually renewed permits
- Annually escalating permit fee
- Update sidewalk usage permit

13

Parklets & Sidewalk Usage: Why

- Allows for business recovery
- Allows more outdoor dining options
- Businesses support
- Majority of community respondents support

14

Parking Reconfigurations: What we did

- Most parking spaces along reconfigured sections of Park and Webster converted to 15-minute pick-up/drop
- Upon request, converted 30 additional spaces to pick-up/drop-off citywide

15

Parking Reconfigurations: What we recommend

- Return to parking regulations in effect pre-pandemic
- Maintain some short-term parking, add loading and ADA spaces
- Re-start parking enforcement

16

Parking Reconfigurations: Why

- Meets current needs
- Can improve parking availability and traffic flow
- Businesses support
- Majority of community respondents support

17

Alameda Ave closure: What we did

- At request of DABA, closed half block of Alameda Ave to cars
- DABA created and maintains space for gathering/dining

18

Alameda Ave closure: What we recommend

- Maintain Alameda Ave closure until street is repaved (expected 2023) or until DABA no longer wants to manage space
- Allow street mural painting

19

Alameda Ave closure: Why

- Creates outdoor dining and community gathering area
- Businesses support
- Majority of community respondents support

20

Citywide use permit: What we did

- Temporary conditional use permit allows businesses to use private outdoor areas and parking lots for commercial purposes and outdoor seating
- Planning Board approved
- At least 15 businesses utilizing

21

Citywide use permit: What we recommend

- Allow existing permit to expire
- Encourage all businesses using permit to apply for individual use permit, or group permit in one business area

22

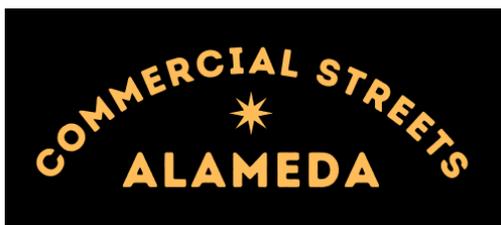

Citywide use permit: Why

- Businesses want to continue use
- Allows for site specific requirements to be evaluated and addressed

23

Recommendation

Review and comment on City staff's 5 recommendations on 5 components of the Commercial Streets program

24

Up next

Recommendations coming

- TC in September
- Council in October
