

April 6<sup>th</sup> 2021

Forrest Heiderick,  
Public Works Fleet Supervisor  
Alameda Public Works Fleet Services  
2040 Grand St  
Alameda CA 94501

Dear Forrest Heiderick,

This letter shall serve to certify that Halcore Group, Inc doing business as Leader Emergency Vehicles in South El Monte California (hereafter referred to as "Leader"). Leader is a member of the Halcore Group of Companies and in addition to manufacturing Leader is the exclusive dealer for the sale of Horton Emergency Vehicles (hereafter referred to as "Horton") in the State of California.

Leader being the exclusive distributor for Horton ambulances in California is the sole service provider for warranty and non-warranty work on the proprietary Horton electrical, body mount, HOPS, and hydraulic systems.

Leader operates a full capability manufacturing facility, fully staffed service center, and completely stocked parts warehouse in California. Leader also offers mobile road service in Northern CA through its association with the REV Group and the REV tech center located in South San Francisco.

Leader is offering this unit at competitive pricing based on the HGAC Horton sales Contract and assures the price quoted complies to and exceeds the discounts provided for in the current 2021 contract. HGAC Contract # AM10-20 Titled Ambulance, EMS, & Other Special Service Vehicles

Regards,

**Steve De La Montanya**
