

ECOLOGY OVERLOOK

DEPAVE PARK

Grant Application

City Council Meeting 9/21/2021

PROPOSED PLAN

HIKE AND BIKE PATH

SF Bay Restoration Authority Grant Application

- Funds Master Plan process, development of schematic design (30% construction documents) and regional permit application.
- 2nd application to SF Bay Restoration Authority
- Received constructive feedback from last year's application and positive input to re-apply
- City match is not required but is recommended
- \$50,000 match will be brought back to City Council for budget appropriation IF grant application is approved

Master Plan Process and Outreach

- Sept. 25 – tour of DePave Park and other Alameda Point parks for Alameda Point Collaborative residents. Collaboration with APC and CASA
- Inclusive and in-depth public input process.
 - Outreach to diverse Alameda organizations, social media, and residents through multiple languages and methodologies
 - Use Vision Plan as a starting point and solicit feedback on what residents want public access to look like and what interests them about this park that would make them want to visit
- Outreach to business community regarding Buildings 25 and 29
