- A. SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS, 4. Other Insurance**, and all subparts thereof, as contained in the policy is deleted in its entirety and replaced with the following condition:

4. Other Insurance

If all of the other insurance permits contribution by equal shares, we will follow this method unless the insured is required by written contract signed by both parties, to provide insurance that is primary and noncontributory, and the "insured contract" is executed prior to any loss. Where required by a written contract signed by both parties, this insurance will be primary and non-contributing only when and to the extent as required by that contract.

However, under the contributory approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contributory by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

All other terms, conditions and exclusions under the policy are applicable to this endorsement and remain unchanged.

PERFORMANCE BOND

Contract No.: 06-23-17

Bond No.: RCB0042842

Premium: \$11,296.00

KNOW ALL PERSONS BY THESE PRESENTS,

THAT WHEREAS, the City of Alameda, ("City" as the primary Obligee) has awarded to Spencon Construction, Inc. ("Principal"), Contract No. 06-23-17 (as amended from time to time, the "Contract"), which Contract is specifically incorporated by reference in this bond, for Sidewalk Replacement Project (the "Project");

AND WHEREAS, it is one of the conditions of the Contract that these presents shall be executed;

NOW THEREFORE, we the undersigned Principal and Contractors Bonding and Insurance Company (the "Surety"), an admitted surety insurer in the State of California, are held and firmly bound unto the City, in the sum of One Million, Three Hundred Ninety Nine Thousand Four Hundred and 00/100 Dollars (\$1,399,400.00), we bind ourselves, our heirs, executors and administrators, successors and assigns, jointly and severally firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

1. The Contract is incorporated by reference in this Bond. Unless the context otherwise requires, capitalized terms used but not separately defined in this Bond have the meaning given to them in the Contract.

2. If the Principal, or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by and well and truly keep and perform all covenants, conditions, agreements, obligations and work under the Contract, including any and all amendments, supplements, and alterations made to the Contract as therein provided, on Principal's part to be kept and performed at the time and in the manner therein specified, and shall indemnify, defend and save harmless the City and all other Indemnified Parties, as therein stipulated, then this obligation shall become and be null and void; otherwise, it shall be and remain in full force and effect.

3. This Bond shall cover the cost to perform all the obligations of the Principal pursuant to the Contract.

4. The obligations covered by this Bond specifically include the performance of each and every obligation of Principal under the Contract including its liability for Liquidated Damages and warranties as specified in the Contract, but not to exceed the Bonded Sum.

5. The Surety agrees that no change, extension of time, alterations, additions, omissions or other modifications of the terms of any of the Contract, or in the work to be performed with respect to the Project, or in the specifications or plans, or any change or modification of any terms of payment or extension of time for any payment pertaining or relating to any of the Contract, or any rescission or attempted rescission of this Bond, solely due to acts of Principal, or any fraud practiced by any other person other than the City seeking to recover from this Bond, shall in any way affect its obligations on this Bond, and it hereby waives notice of such changes, extension of time, alterations, additions, omissions or other modifications.

6. The Surety agrees that payments made to contractors and suppliers to satisfy claims on the payment bond do not reduce the Surety's legal obligations under this Bond. Payments made to contractors or suppliers under any agreement where the Surety has arranged for completion of the work to satisfy this Bond will not be considered payment bond claims.

7. Whenever Principal is in default under the Contract, provided that the City is not then in material default under the Contract, the Surety shall promptly:

- (a) remedy such default, or
- (b) complete the work and perform the obligations covered by this Bond in accordance with the terms and conditions of the Contract then in effect, or
- (c) select a contractor or contractors to complete all work and perform all obligations covered by this Bond for which a notice to proceed has been issued in accordance with the terms and conditions of the Contract, using a contractor or contractors approved by the City (provided, however, that the Surety may not select Principal or any affiliate of Principal to complete the work and perform the obligations for and on behalf of the Surety without the City's express written consent, in its sole discretion), arrange for a contract that contains substantially the same terms and conditions of the Contract between such contractor or contractors and the City, and make available as work progresses (even though there should be a default or a succession of defaults under such contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the unpaid balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety is liable hereunder, the Bonded Sum.

8. If Surety does not proceed as provided in Paragraph 7 of this Bond with reasonable promptness, Surety shall be deemed to be in default on this Bond fifteen days after receipt of an additional written notice from the City to Surety demanding that Surety perform its obligations under this Bond, and the City shall be entitled to enforce any remedy available to the City.

9. The guarantees contained herein shall survive Final Acceptance of the Work called for in the Contract with respect to those obligations of Principal which survive such Final Acceptance.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on this 24th day of

August, 20 23.
