Subject: [EXTERNAL] Speeding on Buena Vista

Hello,

The traffic speed on Buena Vista in the vicinity of Bay Street is considerably over the limit, which is causing safety problems for vulnerable pedestrians and a noise issue for those of us who live here.

I would like to request traffic calming measures that would reduce the speed of vehicles through this area. I have already contacted the APD about enforcement and submitted a See Click Fix request for a speed monitor sign.

If there is a way to submit a more detailed letter to your commission for consideration at a future meeting, please let me know how to do this.

Thank you.
