D. The City and Contractor desire to enter into an agreement for \$270,947.37, upon the terms and conditions herein.

NOW, THEREFORE, in consideration of the forgoing, which are incorporated herein by reference, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. TERM:

Contractor shall have 360 consecutive working days from the date the work is to commence pursuant to the Notice to Proceed to diligently prosecute the work to completion.

2. SERVICES TO BE PERFORMED:

Contractor agrees, at its own cost and expense, to furnish all labor, tools, equipment, materials, except as otherwise specified, and to do all work strictly in accordance with the Specifications, Special Provisions and Plans, which Specifications, Special Provisions and Plans are hereby referred to and expressly made a part hereof with the same force and effect as if the same were fully incorporated herein. Contractor acknowledges that the work plan included in Exhibit A is tentative and does not commit the City to request Contractor to perform all tasks

included therein. After final completion of Contractor's work hereunder, Contractor's responsibility and liability is limited to its warranty of the park equipment.

3. COMPENSATION TO CONTRACTOR:

Contractor shall be compensated for services performed pursuant to this Agreement in the amount and manner set forth in Contractor's bid, which is attached hereto as Exhibit A and incorporated herein by this reference. Payment will be made in the same manner that claims of a like character are paid by the City, with checks drawn on the treasury of the City.

Payment will be made by the City in the following manner: On the first day of each month, Contractor shall submit a written estimate of the total amount of work done the previous month. However, the City reserves the right to adjust budget within and between tasks. Pricing and accounting of charges are to be according to the bid packet pricing, unless mutually agreed to in writing.

Payment shall be made for 95% of the value of the work completed as determined by the City. The City shall retain 5% of the value of the work as partial security for the completion of the work by Contractor. Retained amounts shall be paid to Contractor within sixty days of acceptance by the City of the project. Payment shall not be construed as acceptance of defective work. No interest will be paid to Contractor on retained funds.

Total compensation for work is \$258,045.14, with a 5% percent contingency in the amount of \$12,902.23 for a total not to exceed of \$270,947.37. Use of contingency shall be for items of work outside the original scope and requires prior written authorization by the City.

Prompt Payment Of Withheld Funds To Subcontractors: The City shall hold retainage from the prime contractor and shall, as determined by the City, make prompt and regular incremental acceptances of portions of the contract work and pay retainage to the prime contractor based on these acceptances. The prime contractor or subcontractor shall return all monies withheld in retention from all subcontractors within 30 days after receiving payment for work satisfactorily completed and accepted by the City, including incremental acceptances of portions of the contract work. Any delay or postponement of payment may take place only for good cause and with the City's prior written approval. Any violation of these provisions shall subject the violating prime contractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to the prime contractor or subcontractor in the event of a dispute involving (a) late payment or nonpayment by the prime contractor, (b) deficient subcontractor performance, or (c) noncompliance by a subcontractor with the contract, including but not limited to remedies under California Public Contract Code Section 9204. This clause applies to both DBE and non-DBE subcontractors.

4. TIME IS OF THE ESSENCE:

Contractor and the City agree that time is of the essence regarding the performance of this Agreement.

It is agreed by the parties to this Agreement that if all the work called for under the Agreement is not completed before or upon the expiration of the time limit as set forth in Paragraph 1 above, damage will be sustained by the City, and it is and will be impracticable to determine the actual damage which the City will sustain in the event of and by reason of such delay. It is therefore agreed that Contractor will pay the City the sum of Fifty Dollars (\$50) per day, not to exceed Three Thousand Dollars (\$3000) as liquidated damages for each and every day's delay beyond the time prescribed to complete the work; and Contractor agrees to pay such liquidated damages as herein provided, and in case the same are not paid, agrees that the City may deduct the amount thereof from any money due or that may become due Contractor under the Agreement.

It is further agreed that in case the work called for under the Agreement is not finished and completed in all parts and requirements within the time specified, the City shall have the right to extend the time for completion or not, as may seem best to serve the interest of the City; and if the City decides to extend the time limit for the completion of the Agreement, it shall further have the right to charge Contractor, its successors, heirs, assigns or sureties, and to deduct from the final payment for the work, all or any part, as it may deem proper, of the actual costs and overhead expenses which are directly chargeable to the Agreement, and which accrue during the period of such extensions.

Contractor shall not be assessed with liquidated damages during any delay in the completion of the work caused by an act of God or of the public enemy, acts of the City, fire, flood, epidemic, quarantine restriction, strikes, freight embargoes, and unusually severe weather or delays of subcontractors due to such causes; provided that Contractor shall, within one (1) day from the beginning of such delay, notify the City in writing of the causes of delay. The City shall ascertain the facts in good faith and the extent of the delay, and its findings of the facts thereon shall be final and conclusive.

5. STANDARD OF CARE:

Contractor shall perform all services under this Agreement in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals in the same discipline in the State of California. Contractor represents that it is skilled in the professional calling necessary to perform all services contracted for in this Agreement. Contractor further represents that all of its employees and subcontractors shall have sufficient skill and experience to perform the duties assigned to them pursuant to and in furtherance this Agreement. Contractor further represents that it (and its employees and subcontractors) have all licenses, permits, qualifications, and approvals of whatever nature that are legally required to perform the services (including a City Business License, as needed); and that such licenses and approvals shall be maintained throughout the term of this Agreement. As provided for in the indemnification provisions of this Agreement, Contractor shall perform (at its own cost and expense and without reimbursement from the City) any services necessary to correct errors or omissions which are caused by Contractor's failure to comply with the standard of care provided for herein. Any employee of the Contractor or its subcontractors who is determined by the City to be uncooperative, incompetent, a threat to the adequate or timely completion of any services under this Agreement, or a threat to the safety of persons or property (or any employee who fails or refuses to perform the services in a manner acceptable to the City) shall be promptly removed

by the Contractor and shall not be re-employed to perform any further services under this Agreement.

6. INDEPENDENT PARTIES:

Contractor hereby declares that it is engaged as an independent business and it agrees to perform its services as an independent contractor. The manner and means of conducting the work are under the control of Contractor, except to the extent they are limited by statute, rule or regulation and the express terms of this Agreement. No civil service status or other right of employment will be acquired by virtue of Contractor's services and work. None of the benefits provided by the City to its employees, including but not limited to unemployment insurance, workers' compensation plans, vacation and sick leave are available from the City to Contractor, its employees, subcontractors, suppliers or agents. Deductions shall not be made for any state or federal taxes, FICA payments, PERS payments, or other purposes normally associated with an employer-employee relationship from any fees due Contractor. Payments of the above items, if required, are the responsibility of Contractor. Any personnel performing the services under this Agreement on behalf of Contractor shall also not be employees of City and shall at all times be under Contractor's exclusive direction and control.

7. IMMIGRATION REFORM AND CONTROL ACT (IRCA):

Contractor assumes any and all responsibility for verifying the identity and employment authorization of all of its employees performing work hereunder, pursuant to all applicable IRCA or other federal, or state rules and regulations. Contractor shall indemnify, defend (with counsel acceptable to the City) and hold the City harmless from and against any loss, damage, liability, costs or expenses arising from any noncompliance of this provision by Contractor.

8. NON-DISCRIMINATION:

Consistent with the City's policy and state and federal law that harassment and discrimination are unacceptable employer/employee conduct, neither Contractor nor Contractor's employees, agents, subcontractors or suppliers shall harass or discriminate against any job applicant, City employee, or any person on the basis of any kind of any statutorily (federal, state or local) protected class, including but not limited to race, religious creed, color, national origin, ancestry, disability (both mental and physical), including HIV and AIDS, medical condition (e.g., cancer), genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, pregnancy, political affiliation, military and veteran status or legitimate union activities. Such non-discrimination shall include but not be limited to all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, or termination. Contractor agrees that any violations of this provision shall constitute a material breach of this Agreement.

9. HOLD HARMLESS:

To the fullest extent permitted by law, Contractor shall indemnify, defend (with counsel acceptable to the City, which acceptance shall not be unreasonably withheld, delayed, or conditioned), and hold harmless the City, its City Council, boards, commissions, officials, employees, agents and volunteers ("Indemnitees") from and against any and all loss, damages, liability, obligations, claims, suits, judgments, costs and expenses whatsoever alleged by a third party, including reasonable attorney's fees and costs of litigation ("Claims"), to the

extent arising from or in any manner connected to Contractor’s performance of its obligations under this Agreement or out of the operations conducted by Contractor even if the City is found to have been negligent. If the Claims filed against Indemnitees allege negligence, recklessness or willful misconduct on the part of Contractor, Contractor shall have no right of reimbursement against Indemnitees for the costs of defense even if negligence, recklessness or willful misconduct is not found on the part of Contractor. Contractor shall not have any obligations to indemnify Indemnitees to the extent the loss or damage is found to have resulted solely from the negligence or the willful misconduct of the City. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

As to Claims for professional liability only, Contractor’s obligation to defend Indemnitees (as set forth above) is limited as provided in California Civil Code Section 2782.8.

Contractor’s obligation to indemnify, defend and hold harmless Indemnities shall expressly survive the expiration or early termination of this Agreement.

10. INSURANCE:

a. On or before the commencement of the terms of this Agreement, Contractor shall furnish City’s Risk Manager with certificates showing the type, amount, class of operations covered, effective dates and dates of expiration of insurance coverage in compliance with paragraphs 10.b. (1) through (4). Such certificates, which do not limit Contractor’s indemnification, shall also contain substantially the following statement:

“Should any of the above insurance covered by this certificate be canceled or coverage reduced before the expiration date thereof, the insurer affording coverage shall provide thirty (30) days advance written notice to the City of Alameda, Attention: Risk Manager.”

Contractor shall maintain in force at all times during the performance of this Agreement all appropriate coverage of insurance required by this Agreement with an insurance company licensed to offer insurance business in the State of California with a current A.M. Best’s rating of no less than A:VII or Standard & Poor’s Rating (if rated) of at least BBB unless otherwise acceptable to the City. Endorsements naming the City, its City Council, boards, commissions, officials, employees, agents and volunteers as additional insured shall be submitted with the insurance certificates.

Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits, which are applicable to a given loss, shall be available to the City.

c. SUBROGATION WAIVER:

Contractor hereby agrees to waive rights of subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the City has received a waiver of subrogation endorsement from the insurer. The Workers’ Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

d. FAILURE TO SECURE:

If Contractor at any time during the term hereof should fail to secure or maintain the foregoing insurance, the City shall be permitted to obtain such insurance in Contractor's name or as an agent of Contractor and shall be compensated by Contractor for the costs of the insurance

premiums at the maximum rate permitted by law and computed from the date written notice is received that the premiums have not been paid.

e. ADDITIONAL INSURED:

The City, its City Council, boards, commissions, officials, employees and volunteers shall be named as an additional insured under all insurance coverages, except worker's compensation insurance. The naming of an additional insured shall not affect any recovery to which such additional insured would be entitled under this policy if not named as such additional insured. An additional insured named herein shall not be held liable for any premium, deductible portion of any loss, or expense of any nature on this policy or any extension thereof. Any other insurance held by an additional insured shall not be required to contribute anything toward any loss or expense covered by the insurance provided by this policy. The additional insured coverage under the Contractor's policy shall be primary and non-contributory and will not seek contribution from the City's insurance or self-insurance.

f. SUFFICIENCY OF INSURANCE:

The insurance limits required by the City are not represented as being sufficient to protect Contractor. Contractor is advised to consult Contractor's insurance broker to determine adequate coverage for Contractor.

g. EXCESS OR UMBRELLA LIABILITY:

If any Excess or Umbrella Liability policies are used to meet the limits of liability required by this Agreement, then said policies shall be true "following form" of the underlying policy coverage, terms, conditions, and provisions and shall meet all of the insurance requirements stated in this Agreement, including but not limited to, the additional insured, SIR, and primary insurance requirements stated therein. No insurance policies maintained by the indemnified parties or Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until all the primary and excess liability policies carried by or available to the Contractor are exhausted. **If a Provider is using an Excess Liability policy to supplement any insurance coverage required by this Agreement, they must submit the Excess Liability policy in full.**

11. BONDS:

Contractor shall furnish the following bonds from a bonding company acceptable to the City's Risk Manager:

A. Faithful Performance: A bond in the amount of 100% of the total contract price guaranteeing the faithful performance of this contract, and

B. Labor and Materials: A bond for labor and materials in the amount of 100% of the total contract price.

Faithful Performance Bond and Labor and Material Bond are only required for work over \$25,000. Therefore, those estimates that are under \$25,000 will not need to budget for the bond premiums and those estimates over \$25,000 will need to budget for the bond premiums.

12. PROHIBITION AGAINST TRANSFERS:

Contractor shall not assign, sublease, hypothecate, or transfer this Agreement, or any interest therein, directly or indirectly, by operation of law or otherwise, without prior written consent of the City Manager. Any attempt to do so without said consent shall be null and void, and any assignee, sublessee, hypothecate or transferee shall acquire no right or interest by reason of such attempted assignment, hypothecation or transfer. However, Contractor's claims for money from the City under this Agreement may be assigned to a bank, trust company or other financial institution without prior written consent. Written notice of such assignment shall be promptly furnished to the City by Contractor.

The sale, assignment, transfer or other disposition of any of the issued and outstanding capital stock of Contractor, or of the interest of any general partner or joint venturer or syndicate member or cotenant, if Contractor is a partnership or joint venture or syndicate or cotenancy, which shall result in changing the control of Contractor, shall be construed as an assignment of this Agreement. Control means fifty percent (50%) or more of the voting power of the entity.

13. SUBCONTRACTOR APPROVAL:

Unless prior written consent from the City is obtained, only those people and subcontractors whose names are listed in Contractor's bid shall be used in the performance of this Agreement.

Requests for additional subcontracting shall be submitted in writing, describing the scope of work to be subcontracted and the name of the proposed subcontractor. Such request shall set forth the total price or hourly rates used in preparing estimated costs for the subcontractor's services. Approval of the subcontractor may, at the option of the City, be issued in the form of a Work Order.

In the event that Contractor employs subcontractors, such subcontractors shall be required to furnish proof of workers' compensation insurance and shall also be required to carry general and automobile liability insurance in reasonable conformity to the insurance carried by Contractor. In addition, any work or services subcontracted hereunder shall be subject to each provision of this Agreement.

14. PERMITS AND LICENSES:

Contractor shall obtain and maintain during the term of this Agreement, all appropriate permits, certificates and licenses, including a City business license that may be required in connection with the performance of the services and tasks hereunder. Contractor and City shall work together to determine which party is responsible for payment of fees or any other costs required to obtain such permits, certificates or licenses.

15. REPORTS:

Each and every report, draft, work product, map, record and other document reproduced, prepared or caused to be prepared by Contractor pursuant to or in connection with this Agreement shall be the physical property of the City. Contractor reserves all rights in its intellectual property in any drawings, designs, or manuals provided by it, including with respect to any playground or other equipment designed or manufactured by Contractor.

Contractor shall, at such time and in such form as the City may require, furnish reports concerning the status of services and work required under this Agreement.

16. RECORDS:

Generally, the City has the right to conduct audits of Contractor's financial, performance and compliance records maintained in connection with Contractor's operations and services performed under the Agreement. In the event of such audit, City shall provide a minimum of 15 business days' prior written notice, and Contractor agrees to provide the City with reasonable access to Contractor's employees and make all such financial (including annual financial statements signed by an independent CPA), performance and compliance records available to the City. City agrees to provide Contractor an opportunity to discuss and respond to any findings before a final audit report is filed.

Contractor shall maintain complete and accurate records with respect to sales, costs, expenses, receipts and other such information required by the City that relate to the performance of services and work under this Agreement.

Contractor shall maintain adequate records of services and work provided in sufficient detail to permit an evaluation of services and work. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Contractor shall provide free access to such books and records to the representatives of the City or its designees, and gives the City the right to examine and audit same, and to make transcripts therefrom as necessary, and to allow inspection of all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be kept separate from other documents and records and shall be maintained for a period of three (3) years after receipt of final payment.

If supplemental examination or audit of the records is necessary due to concerns raised by the City's preliminary examination or audit of records, and the City's supplemental examination or audit of the records discloses a failure to adhere to appropriate internal financial controls, or other breach of contract or failure to act in good faith, then Contractor shall reimburse the City for all reasonable costs and expenses associated with the supplemental examination or audit.

In addition, Contractor will comply with all safety provisions in conformance with U.S. Department of Labor standards, Cal/OSHA requirements Act, and all other applicable federal, state, county and local laws, ordinances, codes, and any regulations that may be detailed in other parts of the Agreement. 20. HEALTH AND SAFETY REQUIREMENTS.

Contractor acknowledges that the City shall have the right to impose, at the City’s sole discretion, requirements that it deems are necessary to protect the health and safety of the City employees, residents, and visitors. Contractor agrees to comply with all such requirements, including, but not limited to, mandatory vaccinations, the use of personal protective equipment (e.g. masks), physical distancing, and health screenings. Contractor also agrees to make available to the City, at the City’s request, records to demonstrate Contractor’s compliance with this Section.

21. PREVAILING WAGES:

Contractor is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq. as well as California Code of Regulations, Title 8, Section 1600, et seq., (“Prevailing Wage Laws”) which require the payment of prevailing wage rates and the performance of other requirements on “public works” and “maintenance” projects. Contractor agrees to fully comply with such Prevailing Wage Laws if the services are being performed as part of an applicable “public works” or “maintenance” project as defined by the Prevailing Wage Laws and if the total compensation is \$1,000 or more. City, upon Contractor’s request, shall provide Contractor with a copy of the prevailing rates of per diem wages in effect at the commencement of this Agreement. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the services available to interested parties upon request; and shall post copies at the Contractor’s principal place of business and at the project site. Contractor shall defend, indemnify, and hold the City (its elected officials, officers, employees, and agents) free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.

22. DEPARTMENT OF INDUSTRIAL RELATIONS COMPLIANCE AND PREVAILING WAGE REQUIREMENTS ON PUBLIC WORKS PROJECTS:

a. For purposes of Sections 22 through 24 of this Agreement, the terms “claim”, “contractor”, “public works project” and “subcontractor” shall have the same meanings set forth in Public Contract Code Section 9204.

b. No contractor or subcontractor may be listed on a bid proposal for a public works project, nor engage in the performance of any public work contract, unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5 (with the limited exceptions for certain bids pursuant to Labor code Section 1771.1(a)). Registration instructions may be found at the following website: <https://www.dir.ca.gov/Public-Works/Contractor-Registration.html>

c. Contractor and each subcontractor shall keep an accurate payroll record, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. The payroll records shall be certified and shall be available for inspection at all reasonable hours at the principal office of Contractor in the manner provided in Labor Code section 1776. In the

event of noncompliance with the requirements of this section, Contractor shall have 10 days in which to comply subsequent to receipt of written notice specifying in what respects such Contractor must comply with this section. Should noncompliance still be evident after such 10-day period, Contractor shall, as a penalty to City, forfeit not more than \$100.00 for each calendar day or portion thereof, for each worker, until strict compliance is effectuated. The amount of the forfeiture is to be determined by the Labor Commissioner. A contractor who is found to have violated the provisions of law regarding wages on Public Works with the intent to defraud shall be ineligible to bid on Public Works contracts for a period of one to three years as determined by the Labor Commissioner. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, such penalties shall be withheld from progress payments then due. The responsibility for compliance with this section is on Contractor. The requirement to submit certified payroll records directly to the Labor Commissioner under Labor Code section 1771.4 shall not apply to work performed on a public works project that is exempt pursuant to the small project exemption specified in Labor Code Section 1771.4. All contractors and subcontractors must furnish electronic certified payroll records directly to the Labor Commissioner at the following website: <https://www.dir.ca.gov/Public-Works/Certified-Payroll-Reporting.html>

d. Contractor is required to all post job site notices as prescribed by State law. (See 8 Cal. Code Regs, § 16451(d).)

e. The project that is governed by this Agreement is subject to compliance monitoring and enforcement by the Department of Industrial Relations. It shall be the Contractor’s sole responsibility to evaluate and pay the cost of complying with all labor compliance requirements under this Contract and applicable law. Any stop orders issued by the Department of Industrial Relations against Contractor or any subcontractor that affect Contractor’s performance of Work, including any delay, shall be Contractor’s sole responsibility. Any delay arising out of or resulting from such stop orders shall be considered Contractor caused delay subject to any applicable liquidated damages and shall not be compensable by the City. Contractor shall defend, indemnify and hold the City, its officials, officers, employees and agents free and harmless from any claim or liability arising out of stop orders issued by the Department of Industrial Relations against Contractor or any subcontractor.

f. In executing this Agreement, Contractor acknowledges and agrees that the work authorized by this Agreement may be subject to compliance monitoring and enforcement by the Department of Industrial Relations.

23. HOURS OF LABOR:

As provided in Article 3 (commencing at § 1810), Chapter 1, Part 7, Division 2 of the Labor Code, eight (8) hours of labor shall constitute a legal day's work. The time of service of any worker employed at any time by Contractor or by any subcontractor on any subcontract under this Agreement, upon the work or upon any part of the work contemplated by this Agreement, is limited and restricted to eight (8) hours during any one calendar day and forty (40) hours during any one calendar week, except as hereinafter provided. Notwithstanding the provision hereinabove set forth, work performed by employees of Contractor in excess of eight (8) hours per day and forty (40) hours during any one week shall be permitted upon this public

work, provided that the employees' compensation for all hours worked in excess of eight (8) hours per day at not less than one and one-half (1-1/2) times the basic rate of pay.

Holiday and overtime work, when permitted by law, shall be paid for at a rate of at least one and one-half (1½) times the above specified rate of *per diem* wages, unless otherwise specified. Holidays shall be defined in the Collective Bargaining Contract applicable to each particular craft, classification, or type of worker employed.

24. APPRENTICES:

Attention is directed to the provisions in Sections 1777.5 and 1777.6 of the Labor Code concerning the employment of apprentices by Contractor or any subcontractor under it on contracts greater than \$30,000 or 20 working days. Contractor and any subcontractor under it shall comply with the requirements of Sections 1777.5 and 1777.6 in the employment of apprentices.

Section 1777.5 of the Labor Code requires Contractor or subcontractor employing workers in any apprenticeable occupation to apply to the joint apprenticeship committee nearest the site of the public works project, and which administers the apprenticeship program in that trade, for a certificate of approval, if they have not previously applied and are covered by the local apprenticeship standards.

Contractor is required to make contributions to funds established for the administration of apprenticeship programs if: (1) Contractor employs registered apprentices or journeymen in any apprenticeable trade on such contracts and if other contractors on the public works site are making such contributions; or (2) if Contractor is not a signatory to an apprenticeship fund and if the funds administrator is unable to accept Contractor' required contribution. Contractor or subcontractor shall pay a like amount to the California Apprenticeship Council.

Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex-officio the Administrator of Apprenticeship, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

25. LABOR DISCRIMINATION:

No discrimination shall be made in the employment of persons upon public works because of the race, color, sex, religion, age, national origin, sexual orientation or physical disability of such persons and every Contractor for public works violating this section is subject to all the penalties imposed for a violation of the provisions of the Labor Code, and, in particular, Section 1735.

26. REGISTRATION OF CONTRACTORS:

Before submitting bids for any work authorized by this Agreement, contractors shall be licensed in accordance with the provisions of Chapter 9, Division 3, of the Business and Professions Code of the State of California. Pursuant to Labor Code sections 1725.5 and 1771.1, all contractors and subcontractors that wish to bid on, be listed in a bid proposal, or enter into a contract to perform public work must be registered with the Department of Industrial Relations. No bid will be accepted nor any contract entered into without proof of the contractor's and subcontractors' current registration with the Department of Industrial Relations to perform public work. Notwithstanding the foregoing, the contractor registration requirements mandated by Labor Code Sections 1725.5 and 1771.1 shall not apply to work performed on a public works project that is exempt pursuant to the small project exemption specified in Labor Code Sections 1725.5 and 1771.1.

27. URBAN RUNOFF MANAGEMENT:

Contractor shall avoid creating excess dust when breaking asphalt or concrete and during excavation and grading. If water is used for dust control, Contractor shall use as little as necessary. Contractor shall take all steps necessary to keep wash water out of the streets, gutters and storm drains.

Contractor shall develop and implement erosion and sediment control to prevent pollution of storm drains. Such control includes but is not limited to:

- a. Use storm drain inlet protection devices such as sand bag barriers, filter fabric fences, block and gravel filters. (Block storm drain inlets prior to the start of the rainy season (October 15), on site de-watering activities and saw-cutting activities; shovel or vacuum saw-cut slurry and remove from the site.)
- b. Cover exposed piles of soil or construction material with plastic sheeting. All construction materials must be stored in containers.
- c. Sweep and remove all materials from paved surfaces that drain to streets, gutters and storm drains prior to rain as well as at the end of the each work day. At the completion of the project, the street shall be washed and the wash water shall be collected and disposed of offsite in an appropriate location.
- d. After breaking old pavement, Contractor shall remove all debris to avoid contact with rainfall or runoff.
- e. Contractor shall maintain a clean work area by removing trash, litter, and debris at the end of each workday. Contractor shall also clean up any leaks, drips, and other spills as they occur.

The objective is to ensure that the City and County of Alameda County-Wide Clean Water Program is adequately enforced. These controls should be implemented prior to the start of construction, up-graded as required, maintained during construction phases to provide adequate protection, and removed at the end of construction.

These recommendations are intended to be used in conjunction with the State’s Best Management Practices Municipal and Construction Handbooks, local program guidance materials from municipalities, Section 7.1.01 of the Standard Specifications and any other appropriate documents on storm water quality controls for construction.

Failure to comply with this program will result in the issuance of noncompliance notices, citations, project stop orders or fines. The fine for noncompliance of the above program is two hundred and fifty dollars (\$250.00) per occurrence per day. The State under the Federal Clean Water Act can also impose a fine on the contractor, pursuant to Cal. Water Code §13385.

Prior to performing any excavation work, Contractor shall verify with the Building Official whether the excavation work is subject to the Marsh Crust Ordinance. Contractor shall apply for and obtain permits from Building Services on projects deemed to be subject to the Marsh Crust Ordinance.

29. COMPLIANCE WITH THE CITY’S INTEGRATED PEST MANAGEMENT POLICY:

- Contractor will consider the City IPM Policy’s hierarchy of options or alternatives listed below, in the following order before recommending the use of or applying any pesticide on City property: (1)
 - a. No controls (e.g. tolerating the pest infestation, use of resistant plant varieties or allowing normal life cycle of weeds);
 - b. Physical or mechanical controls (e.g. hand labor, mowing, exclusion);
 - c. Cultural controls (e.g. mulching, disking, alternative vegetation) and good housekeeping (e.g. cleaning desk area);
 - d. Biological controls (e.g., natural enemies or predators);
 - e. Reduced-risk chemical controls (e.g., soaps or oils); and
 - f. Other chemical controls.
- Prior to applying chemical controls Contractor shall complete a checklist for the City’s pre-approval that explains why a chemical control is necessary. For annual contracts that

require regular application of chemical controls the contractor shall submit one checklist prior to the initiation of the project demonstrating that the hierarchy has been reviewed and no other options exist. (See Exhibit C). Additionally, Contractor shall provide documentation to the City’s project manager of the implementation of the IPM techniques hierarchy described in the City’s IPM Policy.

- Contractor shall avoid the use of the following pesticides that threaten water quality, human health and the environment:
 - a. Acute Toxicity Category I chemicals as identified by the Environmental Protection Agency (EPA);
 - b. Organophosphate pesticides (e.g., those containing Diazinon, chlorpyrifos or malathion);

 - f. Copper-based pesticides unless their use is judicious, other approaches and techniques have been considered, and the threat of impact to water quality is prevented.
- Contractor shall sign the Contractor Verification Form (attached as Exhibit B) indicating the intent to implement the City’s IPM Policy, and return a signed copy to the City’s project manager.
- Contractor shall provide to the City’s project manager an annual report of all pesticide usage in support of City operations including pesticide name, active ingredient(s), target pest(s), the total amounts used and the reasons for any increase in use of any pesticide.
- Contractor shall provide a copy of any current IPM certifications(s) to the City’s project manager prior to initiation of the service work.

A copy of the City's IPM Policy may be obtained from the City’s project manager and is also on file with the City Clerk.

If this Agreement pertains to the use of any items listed above, Contractor will need to fill out and send in the Contractor Verification Form and Contractor Check List. ADD EXHIBIT B IF PEST CONTROL.

- A. Any subsidiary which is a legally incorporated entity of which you own a financial interest of more than 50% of the voting stock on the effective date of this Coverage Form, while using with your permission a covered "auto."

However, the insurance afforded by this provision **1.A.** does not apply to any subsidiary that is an insured under any other automobile liability policy, or would be an insured under such policy but for the termination of such policy or the exhaustion of such policy's limits of insurance.

- B. Any organization you newly acquire or form, and over which you maintain majority interest, while using with your permission a covered "auto".

The insurance afforded by this provision **1.B.:**

1. Is effective on the acquisition or formation date, and is afforded only until the end of the policy period of this Coverage Form, or the next anniversary of its inception date, whichever is earlier.
2. Does not apply to "bodily injury" or "property damage" resulting from an "accident" that occurred before you acquired or formed the organization.
3. Does not include any newly acquired or formed organization that is:
 - a. A joint venture or partnership; or
 - b. An insured under any other automobile liability policy, or would be an insured under such policy but for the termination of such policy or the exhaustion of such policy's limits of insurance.

Paragraph **A.1.** Who Is An Insured under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to add:

- d. Any person, organization or governmental entity with respect to the operation, maintenance, or use of a covered "auto" if you are required to add such person, organization or governmental entity to this policy as an additional "insured" in order to comply with the terms of a written contract or written agreement. This Additional Insured status is not conferred when such written contract or written agreement:

- (1) Involves the owner or anyone else from whom you hire or borrow a covered "auto" unless it is a "trailer" connected to a covered "auto" you own; or
- (2) Is executed after the date of "accident" or "loss";

Paragraph d.(2) above does not apply if:

- (a) the terms and conditions of the written contract or written agreement had been agreed upon prior to the "accident" or "loss"; and
- (b) you can definitively establish that the terms and conditions of the written contract or written agreement ultimately executed are the same as those which had been agreed upon prior to the "accident" or "loss".

Paragraph **a.** of Condition **5.** Other Insurance of Part **B.** General Conditions under Section **IV** – Business Auto Conditions is amended by the addition of the following:

Regardless of whether other insurance is maintained by an additional insured on a primary basis, the coverage provided by Provision **2.** of the Commercial Auto Broad Form Endorsement will be primary to and noncontributing with other insurance maintained by the additional insured if the written contract or written agreement between

you and the additional insured specifically requires that this insurance be primary.

3. Employee Hired Autos Liability Coverage

The following is added to the Who Is An Insured Provision of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a written contract or written agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business.

4. Employees As Insureds

The following is added to the Section II – COVERED AUTOS LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured Provision:

2. In a.(4), the limit for the actual loss of earnings is increased to \$1,000 per day.

6. Limited Fellow Employee Coverage

The following is added to Subparagraph 5. Fellow Employee under Paragraph B. Exclusions in SECTION II – COVERED AUTOS LIABILITY COVERAGE:

But this exclusion does not apply if:

- a. the "bodily injury" results from the use of a covered "auto" you own or hire, and
- b. you have Workers Compensation insurance in force covering all of your "employees."

Such coverage as is afforded by this provision is excess over any other collectible insurance.

7. Limited Hired Auto - Physical Damage Coverage - Private Passenger (Includes Employee Hired Autos Physical Damage Coverage)

The following is added to Subparagraph 1. under Paragraph A. Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE:

d. Limited Hired Auto – Physical Damage – Private Passenger

If hired "autos" are covered "autos" for Covered Autos Liability Coverage, and if Physical Damage Coverage of Comprehensive or Collision is provided under this Coverage Form for any "auto" you own, then Comprehensive and Collision Physical Damage Coverages as provided under SECTION III – PHYSICAL DAMAGE COVERAGE of this Coverage Part are extended to "autos" of the private passenger type you or your employee hires under a written contract or written agreement without a driver, at your direction, for the purpose of conducting your business, subject to the following:

- (1) The most we will pay for "loss" to any hired "auto" is \$35,000 or the actual cash value or cost to repair or replace, whichever is the least, minus a deductible.

- (2) The deductible will be equal to the largest deductible applicable to any owned "auto" of the private passenger type for that coverage, or \$1,000, whichever is less.
- (3) Limited Hired Auto – Physical Damage – Private Passenger coverage is excess over any other collectible insurance.
- (4) Subject to the above limit, deductible, and excess provisions we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own of the private passenger type insured under this policy.

Coverage includes loss of use of that hired auto, provided it results from an "accident" for which you are legally liable and as a result of which a monetary loss is sustained by the leasing or rental concern. The most we will pay for any one "accident" is \$20 per day subject to a maximum of \$1,000.

If a limit for Hired Auto – Physical Damage is shown in the Schedule, then that limit replaces, and is not added to, the \$35,000 limit indicated above.

This extension of coverage does not apply to any "auto" you hire or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

8. Custom Signs And Decoration

The following is added to Paragraph **A. Coverage 1.** under SECTION **III – PHYSICAL DAMAGE COVERAGE**:

In the event of a total loss to an "auto" insured for auto physical damage coverage on this policy, in addition to the actual cash value of the "auto", we will pay the actual cost to repair or replace signage or custom paint details up to \$5,000.

9. Extended Towing Coverage

If the named insured carries Comprehensive and Collision Coverage for the damaged covered commercial "auto", then this coverage extension **9.** applies to that covered "auto." If the damaged covered "auto" is of the private passenger type, then in addition to Comprehensive and Collision Coverage, the damaged covered "auto" must also carry Towing Coverage in order for this coverage extension **9.** to apply.

The following is added to Paragraph **A.2. Towing** under SECTION **III – PHYSICAL DAMAGE COVERAGE**:

We will pay for towing and associated labor costs each time a covered "auto" is disabled. All labor must be performed at the place of disablement. If the "auto" is of the private passenger type, there will be no deductible. If the "auto" is not a private passenger type, a \$250 deductible will apply to this coverage but it will not reduce the available limit of insurance. For all types of "autos", the most we will pay under this coverage is \$1,000 per disablement. "Autos" which are disabled do not include stolen vehicles.

10. Glass Breakage

If you carry Comprehensive Coverage for the damaged covered "auto", then this coverage extension applies to that covered "auto":

The following is added to Paragraph **A.3. Glass Breakage - Hitting A Bird Or Animal – Falling Objects Or Missiles** under SECTION **III – PHYSICAL DAMAGE COVERAGE**:

Any deductible shown in the Declarations will not apply to glass breakage if such glass is repaired, in a manner acceptable to us, rather than replaced. If the glass must be replaced and there is no other damage associated with the "loss", the deductible will be \$100 unless

a lower deductible is shown on the declarations page for this coverage.

11. Reimbursement For Increased Temporary Transportation Expense For Private Passenger And Commercial Vehicles

A. If The Covered "Auto" Has Comprehensive Or Specified Causes Of Loss Physical Damage Coverage:

Paragraph a. Transportation Expenses under SECTION III – PHYSICAL DAMAGE COVERAGE, A. Coverage, 4. Coverage Extensions is replaced by the following:

If your covered "auto" is damaged or stolen and the damage or theft is covered by Comprehensive or Specified Causes of Loss coverage provided by this policy, we will pay up to \$50 per day subject to a maximum limit of \$1,500 for the necessary and actual temporary transportation expenses (including rental reimbursement) incurred by you during the period beginning 24 hours after the theft or damage and ending, regardless of the policy's expiration,

- a. when the covered "auto" is returned to use or we pay for its "loss" in the event of a total theft of the covered "auto", or
- b. when the covered "auto" is repaired or replaced, or we pay for its "loss", whichever is earlier in the event of a "loss" due to a cause other than the total theft of the covered "auto."

Except with respect to losses pertaining to the total theft of covered "autos" of the private passenger type, this coverage does not apply while there are spare or reserve "autos" available to you.

No deductible applies to this coverage.

B. If The Covered "Auto" Has Collision Physical Damage Coverage:

If your covered "auto" is damaged and the damage is covered by Collision coverage provided by this policy, we will pay up to \$50 per day subject to a maximum limit of \$1,500 for necessary and actual temporary transportation expenses (including rental reimbursement) incurred by you during the period beginning 24 hours after the "loss" and ending, regardless of the policy's expiration, when the covered "auto" is repaired or replaced, or we pay for its "loss", whichever is earlier.

This coverage does not apply while there are spare or reserve "autos" available to you.

No deductible applies to this coverage.

12. Extra Expense - Stolen Vehicles

The following is added under Paragraph **A.4.a.** Coverage Extensions of SECTION III - PHYSICAL DAMAGE COVERAGE:

We will pay for all reasonable and necessary expenses to return a stolen covered "auto" to the named insured if such covered "auto" carries Comprehensive coverage.

13. Personal Effects Coverage

Paragraph **A.** Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add the following coverage:

Personal Effects Coverage

1. We will pay for "loss" to personal property or effects which are owned by an insured and in or on your covered "auto" at the time of "loss" in the event of a total theft of that covered "auto."
2. Subject to Paragraph **C.** Limit Of Insurance under SECTION III – PHYSICAL DAMAGE COVERAGE, we will pay up to \$500 for "loss" of personal property or effects in any one "accident" involving total theft of a covered "auto".

This insurance will not apply if, at the time of "loss", the covered "auto" is unattended, unless the "loss" is the result of forced entry into the covered "auto" while all doors, windows or other openings are closed and locked and there is evidence of forced entry.

Under this extension, we will not pay for "loss" to the following: accounts, bills, currency, deeds, evidences of debt, money, notes or securities; electronic equipment or tapes, records, discs or other similar audio, visual or data electronic devices designed for use with audio, visual or data electronic equipment; jewelry, watches, necklaces, bracelets, gems, gold, platinum, silver, furs; animals, birds, or fish or any motorized vehicle.

This coverage will be excess over any other collectable insurance. No deductible applies to this coverage.

14. Audio, Visual, And Data Electronic Equipment

The sub-limit in Paragraph **C.2.** of the Limit of Insurance Provision of SECTION III- PHYSICAL DAMAGE COVERAGE is increased to \$1,500.

15. Loan/Lease Payoff Coverage

The following is added to Limit of Insurance of SECTION III - PHYSICAL DAMAGE COVERAGE:

In the event of a total "loss" to a covered "auto" shown in the schedule or declarations for which Collision and Comprehensive Coverage apply, we will pay any unpaid amount due on the lease or loan for that covered "auto," less;

1. The amount paid under the Physical Damage Coverage Section of the policy, and
2. Any;
 - a. Overdue lease/loan payments at the time of the "loss";
 - b. Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
 - c. Security deposits not returned by the lessor;
 - d. Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease; and
 - e. Carry-over balances from previous loans or leases.

This coverage is limited to a maximum of \$1,500 for each covered "auto".

16. Airbag Coverage

If the named "insured" carries Comprehensive and Collision Coverage for the damaged covered "auto", then this coverage extension **16.** applies to that covered "auto".

The following is added to Subparagraph **3.a.** under Paragraph **B.** Exclusions in SECTION **III** - PHYSICAL DAMAGE COVERAGE:

The accidental discharge of an airbag shall not be considered mechanical or electrical breakdown and therefore shall not be excluded. This provision does not apply to "autos" you hire with a driver and it is excess over any warranty specifically designed to provide this coverage.

17. Multiple Deductible Protection – Covered "Auto" And Trailer

If you carry Comprehensive and Collision coverages for the damaged covered "autos", then this coverage extension **17.** applies to those covered "autos":

The following is added to Paragraph **D.** Deductible under SECTION **III** - PHYSICAL DAMAGE COVERAGE:

Whenever a covered "auto" and trailer are each damaged in the same "loss" while operating as a combined truck and trailer unit, only one deductible shall apply to the "accident". The larger of the two deductibles shall apply.

If another policy or coverage form issued by us, that is not an automobile policy or coverage form, applies to the same "loss" or "accident", the following applies:

1. If the deductible under this Business Auto Coverage Form is not the largest deductible, it will be waived.
2. If the deductible under this Business Auto Coverage Form is the largest deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

18. Duties In The Event Of An Accident, Claim, Suit, Or Loss

3. A member, if you are a joint venture;
4. An executive officer, insurance manager or any other person designated by you to send notices of claims or "suits" to insurers, if you are a corporation; or
