Subject: APD Staffing Information

Director White,

Here are the points I wanted to bring to your attention:

- Staffing
 - Current sworn staffing level is 70 total.
 - We will be adding 4 new hires in June...bringing our total to 74.
 - We will be adding 3 new hires in August...bringing our total to 77.
 - We expect 2 retirements in August...bringing our total to 75.
 - We expect adding 3 new hires in December...bringing our total to 78.
 - We expect 2 resignations in December...bringing our total to 76.

- We have at least 71 candidates in the background process.
 - We are very selective on hiring. Even if we reject 90% of the candidates, we could end up with 7 qualified candidates.

- If they are hired, they will be hired as part time employees (not police officers) to attend the police academy.
- If they successfully complete the police academy and APD staffing is at 76 (barring approval to exceed), we will contact local police departments to offer them up to fill their vacancies.
