Building SF Ranges

Vacant Building Snapshot

Almost There	Desirable properties that have been vacant for less than a year. Space is ready to go and actively being marketed
Work in Progress	Properties which are actively being improved, either in preparation for a new tenant or to bring the property to market
Project Stalled	Properties which have been vacant for more than a year, but which owners have made active efforts to fill.
Unmotivated Owner	Property owners are unmotivated/unwilling to fill a vacant space for a variety of reasons

CC District Vacancy Rate*

12%
WABA

9%
DABA

Percentage based on total vacant sqft of eligible building stock, which has the infrastructure to support retail and excludes uses like multi-family, public facilities, unique properties like storage or movie theaters or undeveloped land.
